<u>Narrative:</u>	The Sexual Offenders program as proposed, would be a ten (10) bed unit utilizing the State Hospital's existing Forensic Building. One floor of the E.T. Building would be renovated for the existing Forensic program. The cos are based on the assumption that the State Hospital will operate the program and the Corrections Department w not be utilizing the E. T. Building. We expect one-time remodeling to cost \$2.2 million with the balance used for the added 20.75 FTEs (\$1.4 millio and associated supplies and equipment. Office of Attorney General does not anticipate any significant fiscal imp for their department.
