NORTH DAKOTA WORKERS COMPENSATION BUREAU 1997 LEGISLATION SUMMARY OF ACTUARIAL INFORMATION

BILL	DESCRIPTION:	Employees opting out of Workers	Compensation Coverage.
------	--------------	----------------------------------------	------------------------

BILL NO: SB 2381

SUMMARY OF ACTUARIAL INFORMATION: The Workers Compensation Bureau, together with its Actuary, Glenn Evans of Pacific Actuarial Consultants, have reviewed the legislation proposed in this bill in conformance with Section 54-03-25 of the North Dakota Century Code.

Proposed bill provides for employees to opt out of workers compensation coverage, if they submit a written request prior to any injury or occurrence of any occupational disease to their employer, who in turn submits a otice to the Bureau.

FISCAL IMPACT: Not quantifiable. Will serve to decrease premium collections but increase administrative costs. May serve to increase litigation and claim costs for claims involving prior injuries for those claimants that have selected to opt out.

Will create a burden for employers requiring them to carry additional liability policies. It is anticipated claimants opting out will be more inclined to file or manipulate a claim to possibly pursue tort action.
