

Introduced by

1 A BILL for an Act to create and enact chapter 4-42, a new subsection to section 26.1-05-19, a
2 new subdivision to subsection 1 of section 57-38-01.2, a new subdivision to subsection 1 of
3 section 57-38-01.3, a new subdivision to subsection 3 of section 57-38-30.3, a new subdivision
4 to subsection 4 of section 57-38-30.3, and a new subsection to section 57-38-30.3 of the North
5 Dakota Century Code, relating to the establishment and operation of the farmers equity trust
6 fund, issuance of revenue bonds for support of the fund, investments, and income tax credits
7 for investments in bonds and deductions for interest on bonds issued for support of the fund;
8 and to provide an effective date.

9 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

10 **SECTION 1.** Chapter 4-42 of the North Dakota Century Code is created and enacted
11 as follows:

12 **4-42-01. Definitions.** As used in this chapter, unless the context otherwise requires:

- 13 1. "Agricultural commodity" means an agricultural crop or animal capable of being
14 raised commercially in this state.
- 15 2. "Bank" means the Bank of North Dakota.
- 16 3. "Bonds" means revenue bonds or other evidences of indebtedness issued by the
17 industrial commission under this chapter.
- 18 4. "Value-added agricultural project" means a vertically integrated enterprise operated
19 to process and market an agricultural commodity and established as a legal entity
20 with the majority of ownership interests owned by agricultural commodity
21 producers.

22 **4-42-02. Farmers equity trust fund.** The industrial commission shall establish the
23 farmers equity trust fund as a fund at the Bank of North Dakota. Moneys in the fund may be
24 used by the agricultural products utilization commission on behalf of the fund to acquire

ownership interests in value-added agricultural projects or for loans to value-added agricultural projects. A loan under this section must be secured by ownership interests in the project.

4-42-03. Industrial commission powers. The industrial commission has all powers necessary to carry out its functions under this chapter, including the power to:

1. Enter contracts or other instruments or agreements necessary or incidental to the performance of its duties and functions under this chapter including contracts, instruments, or agreements with any federal or state agency or instrumentality.
2. Sue and be sued.
3. Borrow money through the issuance and sale of bonds as provided in this chapter.
4. Invest proceeds of its bonds not needed for immediate disbursement, including any reserve funds, in investments the industrial commission determines to be prudent, subject to any agreements with the holders of bonds issued under this chapter.
5. Obtain insurance, a guarantee, or a letter of credit for payment of its bonds, including payment of premiums or other fees, from any public or private entity.
6. Consent to any modification, amendment, or other revision respecting the terms and provisions of its bonds or any legal instrument to which the industrial commission is a party, subject to any agreements with holders of bonds issued under this chapter.
7. Purchase bonds issued under this chapter out of any funds available to the commission and hold, cancel, or sell such bonds, subject to any agreements with holders of bonds issued under this chapter.

4-42-04. Agricultural products utilization commission powers. The agricultural products utilization commission has all powers necessary to carry out its functions under this chapter, including the power to:

1. Make investments in and loans to value-added agricultural projects under this chapter and charge any reasonable fees to borrowers as the commission determines to be appropriate.
2. Prescribe and approve forms and procedures for value-added agricultural projects to apply for investments and loans under this chapter.
3. Prescribe the terms and conditions of investments and loans to be made under this chapter.

- 1 4. Establish procedures to evaluate a value-added agricultural project's relative merit,
2 likelihood of success, and need for an investment or loan. Evaluation of relative
3 merit must include consideration of the number of citizens of this state who would
4 benefit from the project and the amount of benefit.

5 **4-42-05. Bank of North Dakota.** The industrial commission and the agricultural
6 products utilization commission may delegate to the Bank of North Dakota and the Bank is
7 authorized to exercise all administrative powers granted to the industrial commission and the
8 agricultural products utilization commission under this chapter, including issuing and selling
9 bonds and processing and reviewing applications for, and closing and servicing, investments
10 and loans under this chapter. The Bank may not issue a letter of credit for bonds issued under
11 this chapter.

12 **4-42-06. Issuance and sale of bonds - Use of proceeds.** The industrial commission
13 may issue revenue bonds in such principal amounts as the industrial commission determines
14 necessary to provide sufficient funds to carry out its powers and duties under this chapter. The
15 proceeds must be used solely for deposit in the farmers equity trust fund and to pay costs of
16 issuance and insurance of the bonds, pay accrued or capitalized interest or principal of the
17 bonds, and provide any reasonably required reserve funds. The bonds must be authorized by
18 resolution of the industrial commission and must bear the date, mature at the times, bear
19 interest at the rates, be in the denominations, be payable from the sources, and be subject to
20 the terms of redemption as may be provided by the resolution. The bonds may be sold at
21 public or private sale at such times and at such prices as may be agreed to by the industrial
22 commission. The industrial commission may provide for the refunding or refinancing of bonds
23 under this chapter from time to time.

24 **4-42-07. Agreement with bondholders.** Any resolution of the industrial commission
25 authorizing the issuance of bonds under this chapter may contain provisions or covenants,
26 which will be a contract or agreement with the bondholders, as to:

- 27 1. Setting aside reserves or sinking funds.
28 2. Limiting the purposes to which the proceeds from the sale of bonds may be applied
29 and pledging the proceeds to secure the payment of the bonds.
30 3. Limiting the issuance of additional bonds, the terms upon which additional bonds
31 may be issued and secured, and the refunding of outstanding or other bonds.

- 1 4. Vesting in a trustee the property, rights, powers, and duties in trust as the industrial
2 commission may determine and limiting or abrogating the right of bondholders to
3 appoint a trustee or limiting the rights, powers, and duties of the trustee.
- 4 5. Defining the acts, or omissions to act, which constitute a default of the obligations
5 and duties of the industrial commission to the bondholders, and providing for the
6 rights and remedies of the bondholders in the event of a default, provided that the
7 rights and remedies must be consistent with the general laws of the state and other
8 provisions of this chapter.
- 9 6. Any procedure by which the terms of any contract with bondholders may be
10 amended or abrogated, the amount of bonds the holders of which must consent to
11 an amendment or abrogation, and the manner in which the consent may be given.
- 12 7. Any other matter, of like or different character, which in any way affects the security
13 or protection of the bondholders.

14 **4-42-08. Reserve fund.**

- 15 1. The industrial commission shall establish and maintain a reserve fund for bonds
16 issued under this chapter. There must be deposited in the reserve fund:
 - 17 a. All bond proceeds required to be deposited in the reserve fund by the terms of
18 any contract between the industrial commission and the bondholders or by the
19 terms of any resolution of the commission concerning the use of bond
20 proceeds.
 - 21 b. Any moneys from any other source made available to the industrial
22 commission for deposit in the reserve fund.
- 23 2. Moneys in the reserve fund may be used only to make payments of the principal
24 and interest on bonds, including any premium required to be paid when bonds are
25 redeemed prior to maturity, and sinking fund installments as they become due and
26 payable. Moneys in the reserve fund may only be withdrawn in conformity with the
27 terms of any contract between the industrial commission and the bondholders or
28 any resolution of the industrial commission concerning the use of bond proceeds.

29 **4-42-09. Issuance of bonds to renew, pay, or refund bonds.** The industrial

30 commission may issue from time to time bonds to renew or to pay bonds issued under this
31 chapter, including interest on those bonds, and to refund any bonds issued under this chapter

1 by the issuance of new bonds, whether the bonds to be refunded have matured or not, and to
2 issue bonds partly to refund outstanding bonds and partly for any other purposes permitted
3 under this chapter. The refunding bonds may be sold and the proceeds applied to the
4 purchase, redemption, or payment of the bonds to be refunded, or exchanged for the bonds to
5 be refunded.

6 **4-42-10. Payment of bonds - Not obligations of state - Payment and security.**

7 Bonds issued under this chapter are not payable from nor charged upon any funds other than
8 the revenue pledged to the payment of the bonds. The industrial commission and the Bank are
9 not subject to any liability on bonds issued under this chapter. Bonds issued under this chapter
10 do not constitute a charge, lien, or encumbrance, legal or equitable, upon any property of the
11 industrial commission or the Bank, except those agricultural enterprises owned or encumbered
12 under this chapter. The bonds may be additionally secured by a pledge of any grant,
13 contribution, or guarantee from the federal government, the state, or any legal entity or person.
14 Bonds issued under this chapter are not an obligation or debt of the state. Each bond issued
15 under this chapter must contain a statement that neither the faith and credit nor the taxing
16 power of the state is pledged to the payment of the principal or interest on the bond.

17 **4-42-11. Legal investments.** Bonds issued under this chapter are legal investments in
18 which all public officers or public bodies of the state and its political subdivisions and all banks
19 organized under the laws of the state and engaged in the business of banking may invest
20 funds.

21 **4-42-12. Bond authorization and sale.** Bonds under this chapter must be authorized
22 by a resolution of the industrial commission and must bear the date and mature at the time the
23 resolution provides, except that a bond may not mature more than thirty years from the date of
24 its issue. Bonds must bear interest at the rate, including rate variations; be in the
25 denominations; be in the form, either coupon or registered; carry the registration privileges; be
26 executed in the manner; be payable in the medium of payment and at the place or places; and
27 be subject to the terms of redemption, including redemption prior to maturity, as the resolution
28 provides. Provisions of other state laws relating to issuance of revenue bonds do not apply to
29 bonds issued under this chapter. Bonds issued under this chapter may be sold at public or
30 private sale at the price the industrial commission determines.

1 **4-42-13. Bond issuance and validity.** Bonds issued under the authority of this
2 chapter must be executed by a member of the industrial commission or by facsimile signature
3 and the manual signature of an authenticating agent. Any bond bearing the signature of a
4 member of the industrial commission in office on the date of execution is valid and binding for
5 all purposes for which it was issued. After issuance, all bonds issued under this chapter are
6 conclusively presumed to be fully authorized and issued under the laws of the state and any
7 person or entity is estopped from questioning their authorization, issuance, execution, sale, or
8 delivery by the industrial commission.

9 **4-42-14. Farmers equity trust fund investment tax credit.** If a taxpayer makes a
10 qualified investment in bonds issued under this chapter for the farmers equity trust fund, the
11 taxpayer is entitled to a credit against state income tax liability as determined under section
12 57-38-29, 57-38-30, or 57-38-30.3. The amount of the credit to which a taxpayer is entitled is
13 twenty percent of the amount invested during the taxable year by the taxpayer in bonds issued
14 under this chapter, subject to the following:

- 15 1. In any taxable year, a taxpayer may claim no more than fifty percent of the credit
16 under this section which is attributable to qualified investments in a single taxable
17 year. The aggregate amount of credits under this section for any taxable year may
18 not exceed fifty percent of the taxpayer's tax liability as otherwise determined
19 under chapter 57-38.
- 20 2. Any amount of credit under this section not allowed because of the limitations of
21 this section may be carried forward for up to one taxable year after the taxable year
22 in which the investment was made.
- 23 3. A partnership that invests in bonds issued under this chapter for the farmers equity
24 trust fund must be considered to be the taxpayer for purposes of the investment
25 limitations in this section and the amount of the credit allowed with respect to a
26 partnership's investment in the farmers equity trust fund must be determined at the
27 partnership level. The amount of the total credit determined at the partnership
28 level must be allowed to the partners; limited to individuals, estates, and trusts; in
29 proportion to their respective interests in the partnership.
- 30 4. A qualified investment must be at risk in bonds issued under this chapter for the
31 farmers equity trust fund. A qualified investment must be in the form of a purchase

of bonds issued under this chapter. An investment for which a credit is received under this section must remain in the form of bond obligations for at least three years.

5. The tax credit under this section accrues to the taxpayer for the taxable year in which full consideration for bonds issued under this chapter was received by the industrial commission.

4-42-15. Tax credit procedure and reporting. To receive the tax credit provided by this chapter, a taxpayer must claim the credit on the taxpayer's annual state income tax return in the manner prescribed by rule by the tax commissioner. Within thirty days after the date on which an investment in bonds issued under this chapter is made, the industrial commission shall file with the tax commissioner and provide to the investor completed forms prescribed by the tax commissioner which show as to each investment in bonds under this chapter the following:

1. The name, address, and social security or taxpayer identification number of the taxpayer who made the investment.
2. The dollar amount paid for the investment by the taxpayer.
3. The date on which full consideration was received by the industrial commission for the investment.

4-42-16. Rules and administration. The tax commissioner shall administer the provisions of this chapter which relate to the income tax credits and deductions allowed under this chapter and has the same powers as provided under section 57-38-56 for purposes of this chapter. The industrial commission shall administer the provisions of this chapter which relate to bonds issued under this chapter and the commission may adopt rules for that purpose in accordance with chapter 28-32. The agricultural products utilization commission shall administer the provisions of this chapter which relate to investments or loans from the farmers equity trust fund and may adopt rules for that purpose in accordance with chapter 28-32.

SECTION 2. A new subsection to section 26.1-05-19 of the 1999 Supplement to the North Dakota Century Code is created and enacted as follows:

Bonds issued under chapter 4-42.

SECTION 3. A new subdivision to subsection 1 of section 57-38-01.2 of the 1999 Supplement to the North Dakota Century Code is created and enacted as follows:

Reduced by the amount of any interest received by the taxpayer during the taxable year on bonds issued under chapter 4-42 to the extent that interest was included in the taxpayer's taxable income as determined on the federal return.

SECTION 4. A new subdivision to subsection 1 of section 57-38-01.3 of the 1999 Supplement to the North Dakota Century Code is created and enacted as follows:

Reduced by the amount of any interest received by the corporation during the taxable year on bonds issued under chapter 4-42 to the extent that interest was included in the corporation's taxable income as determined on the federal return.

SECTION 5. A new subdivision to subsection 3 of section 57-38-30.3 of the 1999 Supplement to the North Dakota Century Code is created and enacted as follows:

Interest income from bonds issued under chapter 4-42 to the extent that income was included in the taxpayer's federal adjusted gross income.

SECTION 6. A new subdivision to subsection 4 of section 57-38-30.3 of the 1999 Supplement to the North Dakota Century Code is created and enacted as follows:

Interest income from bonds issued under chapter 4-42 to the extent that income was included in the taxpayer's federal adjusted gross income.

SECTION 7. A new subsection to section 57-38-30.3 of the 1999 Supplement to the North Dakota Century Code is created and enacted as follows:

An individual, estate, or trust is entitled to a credit against the tax determined under this section for farmers equity trust fund investments as determined under section 4-42-14.

SECTION 8. EFFECTIVE DATE. Sections 2 through 7 of this Act are effective for taxable years beginning after December 31, 2000.
