Provided, discounts for any purposes allowed and taken on sales are not included, nor is the sale price of property returned by customers when the full sale price is refunded either in cash or by credit. Provided, further, when tangible personal property is taken in trade or in a series of trades as a credit or part payment of a retail sale taxable under this chapter, if the tangible personal property traded in will be subject to the sales tax imposed by this chapter when sold or will be subject to the motor vehicle excise tax imposed by chapter 57-40.3, or if the tangible personal property traded in is used farm machinery or used irrigation equipment, the credit or trade-in value allowed by the retailer are not gross receipts. Provided, further, on all sales of retailers, valued in money, when the sales are made under a conditional sales contract, or under other forms of sale wherein the payment of the principal sum is to be extended over a period longer than sixty days from the date of sale that only the portion of the sale amount shall be accounted for, for the purpose of imposition of tax imposed by this chapter, as has actually been received in cash by the retailer during each quarterly period as defined herein. When a farm machine is purchased as a replacement for machinery which was stolen or totally destroyed, a credit or trade-in credit is allowed in an amount equal to the compensation received for the loss from an insurance company. The purchaser shall provide the seller with a notarized statement from the insurance company verifying that the original farm machine is a total loss and indicating the amount of compensation. The notarized statement must be retained by the seller to verify the amount of credit or trade-in credit allowed.
