SENATE BILL NO. 2426 (Senator Christmann)

AN ACT to provide that the operation of sport shooting ranges may not be deemed a nuisance.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. Sport shooting range deemed not a nuisance. If a sport shooting range has been in operation for one year since the date on which it began operation as a sport shooting range, it does not become a public or private nuisance as a result of changed conditions in or around the locality of the sport shooting range. If a sport shooting range remains in compliance with noise control or nuisance abatement rules or ordinances in effect on the date on which it commenced operation, it is not subject to a civil or criminal action resulting from or relating to noise generated by the operation of the sport shooting range. A person who acquires title to real property that is adversely affected by the operation of a permanently located and improved sport shooting range constructed and initially operated before that person acquired title to the property adversely affected may not maintain a civil action on the basis of noise or noise pollution against the person who owns or operates the sport shooting range. A rule, resolution, or ordinance relating to noise control, noise pollution, or noise abatement adopted by the state or a political subdivision may not be applied to prohibit the operation of a sport shooting range, provided the conduct was lawful and being conducted before the adoption of the rule, resolution, or ordinance. Except as otherwise provided in this section, a political subdivision may regulate the location and construction of a sport shooting range after the effective date of this Act. Notwithstanding any other provision of law, a county or city enacting a home rule charter under chapter 11-09.1, 40-05.1, or 54-40.4 may not regulate a sport shooting range except as otherwise provided in this Act. As used in this Act, sport shooting range means an area designated and operated by a person for the sport shooting of firearms or any area so designated and operated by the state or a political subdivision, regardless of the terms for admission to the sport shooting range.
