of North Dakota

SENATE CONCURRENT RESOLUTION NO. 4037

Introduced by

Senator W. Stenehjem

Representatives Kliniske, Poolman

1 A concurrent resolution directing the Legislative Council to study the maintenance and funding
2 of basic student health services at institutions of higher education under the control of the State
3 Board of Higher Education.

4 **WHEREAS**, student health services at institutions of higher education under the control
5 of the State Board of Higher Education are maintained by the assessment of student health
6 services fees; and

7 **WHEREAS**, by spreading the cost of providing basic health services over a large
8 number of university students, student health fees conceptually ensure continued service at a
9 reasonable price; and

10 **WHEREAS**, the cost of maintaining student health services at institutions of higher
11 education under the control of the State Board of Higher Education continues to escalate; and

12 **WHEREAS**, there is fear that the increase in student fees which will be necessary to
13 maintain student health services at institutions under the control of the State Board of Higher
14 Education may be prohibitively high;

15 **NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF NORTH DAKOTA, THE**
16 **HOUSE OF REPRESENTATIVES CONCURRING THEREIN:**

17 That the Legislative Council study the maintenance and funding of basic student health
18 services at institutions of higher education under the control of the State Board of Higher
19 Education; and

20 **BE IT FURTHER RESOLVED**, that the Legislative Council report its findings and
21 recommendations, together with any legislation required to implement the recommendations, to
22 the Fifty-seventh Legislative Assembly.
