Conference Committee changes narrative:

¹ Adds funding for conducting a strategic freight transportation analysis. Funding of \$188,000 is to be provided by the Department of Transportation from federal Strategic Planning and Research (SPR) funds and the remaining \$100,000 is to be raised by the Transportation Institute. A section is added providing that the director of the Department of Transportation may not provide the \$188,000 of federal funds until the institute has raised its \$100,000 for the analysis. The Senate also made these changes.

Conference Committee changes narrative:

- ¹ Restores 1 FTE undesignated faculty position removed by the House. The Senate also restored this position.
- ² Restores \$75,000 of the \$175,000 equipment funding reduction made by the House. The Senate also restored this funding.
- ³ Restores funding for the midsized farms initiative and value-added center initiative removed by the House and reduces initiative funding in undesignated areas by the same amount. The State Board of Agricultural Research and Education may determine the specific areas to reduce within the total funding available for the initiatives. The Senate also made these changes.
- ⁴ Removes 1 FTE crop protection specialist position added in the executive budget, the same as the Senate version.

- ⁵ Adds funding for the 4-H youth position in Burleigh and Morton Counties, the same as the Senate version.
- ⁶ Adds funding to develop and operate dairy diagnostic teams. The section added by the House providing that the NDSU Extension Service spend up to \$100,000 of its 1999-2001 appropriation for the dairy diagnostic teams is removed. The Senate also made these changes.
- ⁷ Adds funding for the soil conservation leadership initiative. A section of legislative intent is added providing that this funding is to be used only for training local district supervisors and that the training address specific issues and concerns of the local district supervisors. The Senate also made these changes.

Section 3 of the bill is changed to allow the Agricultural Experiment Station, the NDSU Extension Service, the Upper Great Plains Transportation Institute, and the Northern Crops Institute to spend unspent general fund appropriation authority and excess income continued into the 2001-03 biennium for any types of expenditures, not only capital repairs and improvements, equipment, and one-time expenditures as provided in the House version. The Senate also made this change.

A section is added authorizing the director of the Agricultural Experiment Station, upon approval of the State Board of Agricultural Research and Education, to transfer up to \$227,335 of its appropriation to the NDSU Extension Service based on the agricultural initiatives prioritized by the State Board of Agricultural Research and Education. The Senate also added this section.

North Dakota Century Code Section 4-05.1-16 is amended to provide that the Ag Coalition and the advisory groups to the multicounty program units each submit one or more names to the Board of Higher Education for appointment of representatives to the State Board of Agricultural Research and Education. Current law provides that each of these groups submit two or more names to the board. The Senate also made this change.

The Conference Committee did not change the sections added by the House changing the name of the State Board of Agricultural Research to the State Board of Agricultural Research and Education. The Senate had changed the name of the board to the State Board of Agricultural Research and Extension.

- ² Reallocates operating expenses reductions made by the House to the Dickinson, Central Grasslands, and Carrington Extension Centers to the Main Research Center. The Senate also made this change.
- ³ Restores funding for the mid-sized farms initiative and the value-added center initiative removed by the House and reduces initiative funding in undesignated areas by the same amount. The State Board of Agricultural Research and Education may determine the specific areas to reduce within the total funding available for the initiatives. The Senate also made these changes. Detail of these changes includes:

	MIDSIZED FARMS INITIATIVE	VALUE-ADDED CENTER INITIATIVE	UNDESIGNATED INITIATIVES	INCREASE (DECREASE)

Total	\$125,163	\$102,814	(\$227,977)	\$0
FTE	1.00	0.75	(1.75)	0.00

- ⁴ Adds funding from the environment and rangeland protection fund for constructing chemical handling facilities at the Main Research Center or branch research centers as selected by the State Board of Agricultural Research and Education. It is anticipated that the funds provided will complete one facility that is partially built and will construct three additional facilities. The Senate also made this change.
- ⁵ Adds operating expenses funding for an initiative to research and develop market opportunities for biotechnologically enhanced crops in North Dakota. A section is added providing that the State Board of Agricultural Research and Education report to an interim Legislative Council committee during the 1999-2000 interim on its activities associated with this initiative. The Senate also made these changes.

The Agronomy Seed Farm appropriation is changed from a specific line item appropriation to a lump sum appropriation, the same as the Senate version.

Section 3 of the bill is changed to allow the Agricultural Experiment Station, the NDSU Extension Service, the Upper Great Plains Transportation Institute, and the Northern Crops Institute to spend unspent general fund appropriation authority and excess income continued into the 2001-03 biennium for any types of expenditures, not only capital repairs and improvements, equipment, and one-time expenditures as provided in the House version. The Senate also made this change.

A section is added authorizing the director of the Agricultural Experiment Station, upon approval of the State Board of Agricultural Research and Education, to transfer up to \$227,335 of its appropriation to the NDSU Extension Service based on the agricultural initiatives prioritized by the State Board of Agricultural Research and Education. The Senate also added this section.

North Dakota Century Code Section 4-05.1-16 is amended to provide that the Ag Coalition and the advisory groups to the multicounty program units each submit one or more names to the Board of Higher Education for appointment of representatives to the State Board of Agricultural Research and Education. Current law provides that each of these groups submit two or more names to the board. The Senate also made this change.

The Conference Committee did not change the sections added by the House changing the name of the State Board of Agricultural Research to the State Board of Agricultural Research and Education. The Senate had changed the name of the board to be the State Board of Agricultural Research and Extension.
