- 2. Four hundred thousand dollars to reimburse school districts or special education units for gifted and talented programs upon the submission of an application that is approved in accordance with guidelines adopted by the superintendent of public instruction. The superintendent of public instruction shall encourage cooperative efforts for gifted and talented programs among school districts and special education units.
- 3. Any amount remaining in the grants special education line item must be distributed on a per student basis as required by section 15-40.1-07.6, excluding reimbursements for student contracts, boarding care, and gifted and talented programs. State special education payments distributed as required by section 15-40.1-07.6 must be reduced by the amount of matching funds required to be paid by school districts or special education units for students participating in the medicaid program. Special education funds equal to the amount of the matching funds required to be paid by the school district or special education unit must be paid by the superintendent of public instruction to the department of human services on behalf of the school district or unit.

SECTION 6. TECHNOLOGY GRANTS. The grants - other grants line item in subdivision 1 of section 1 of this Act includes \$6,000,000 from the state general fund for grants to schools for technology or teacher professional development related expenditures. The educational telecommunications council shall determine the maximum amount to which each school district is entitled by dividing the number of elementary and secondary students in average daily membership in this state into the amount appropriated from the state general fund in subdivision 1 of section 1 of this Act for technology grants and then multiplying the result by the number of students in average daily membership in each district. Prior to the distribution of grants pursuant to this section, the educational telecommunications council may establish a minimum grant amount of \$5,000. A school district is not eligible to receive a grant under this section unless the administrative office of the district is connected to the internet.

1	SECTION 7. PAYMENTS FOR LIMITED ENGLISH PROFICIENT STUDENTS. The
2	grants - foundation aid and transportation line item in subdivision 1 of section 1 of this Act
3	includes up to \$400,000 from the state general fund which, pursuant to section 15-40.1-07.7,
4	must be distributed to school districts educating limited English proficient students.
5	SECTION 8. INDIRECT COST ALLOCATION. Notwithstanding section 54-44.1-15,
6	the department of public instruction may deposit indirect cost recoveries in its operating
7	account.
8	SECTION 9. DISPLACED HOMEMAKER FUND. The amount of \$250,000, or so
9	much of the sum as may be necessary, included in the estimated income line item in
10	subdivision 1 of section 1 of this Act is from the displaced homemaker fund for the purpose of
11	providing services for displaced homemakers as provided in chapter 14-06.1 for the biennium
12	beginning July 1, 1999, and ending June 30, 2001.
13	SECTION 10. GRANTS. The grants line item in subdivision 2 of section 1 of this Act
14	includes \$888,745 for aid to public libraries of which no more than one-half is to be expended
15	during the fiscal year ending June 30, 2000.

general fund for grants to the leadership in educational administration development consortium and \$210,000 from the state general fund for grants to the teacher center network.

SECTION 15. LEGISLATIVE INTENT - LEADERSHIP IN EDUCATIONAL

ADMINISTRATION DEVELOPMENT CONSORTIUM AND TEACHER CENTER NETWORK
COOPERATIVE PROGRAMS. It is the intent of the fifty-sixth legislative assembly that to the

extent possible, the leadership in educational administration development consortium and the

teacher center network work cooperatively to improve the development and delivery of

programs and services to educational administrators and teachers.

SECTION 16. LEGISLATIVE INTENT - ELECTRONIC ACCESS TO DEPARTMENT OF PUBLIC INSTRUCTION PUBLICATIONS - SCHOOL DISTRICT ELECTRONIC

REPORTING. It is the intent of the fifty-sixth legislative assembly that to reduce printing and mailing costs incurred by the department of public instruction and to provide additional access to information, by July 1, 2000, the department shall, to the extent possible, provide electronic access to all publications and other documents produced by the department for distribution to school districts and shall reduce the number of publications and documents printed and distributed by mail. It is the intent of the fifty-sixth legislative assembly that to reduce mailing costs incurred by school districts and to increase the efficiency of communications between school districts and the department of public instruction, by July 1, 2001, school districts shall, to the extent possible, electronically prepare and transfer all reports and information required to be submitted to the department of public instruction.

SECTION 17. CREDENTIALING PROCESS FOR SPECIAL EDUCATION

TEACHERS. The superintendent of public instruction may not change the credentialing process for special education teachers as it is in effect on March 1, 1999, without first convening a meeting to include representatives of the North Dakota council of education leaders, the council of exceptional children, the North Dakota education association, and the North Dakota school boards association. The purpose of the meeting is to receive comments regarding the proposed changes, the applicability of the proposed changes, including the scheduling, the manner of implementation, associated costs, and the short-term and long-term effects of the proposed changes. If, within thirty days after the date of the meeting, members of any two representative groups present at the meeting object in writing to the proposed changes, the superintendent may not implement the change prior to July 1, 2001.

1 SECTION 18. SCHOOL DISTRICT FINANCIAL DATA - REPORTING -2 **REQUIREMENTS.** The superintendent of public instruction shall develop standardized 3 reporting forms, in both hard copy and electronic format, prescribing the manner in which 4 school district superintendents and business managers must account for and report financial 5 data. The superintendent of public instruction shall report to the interim education finance 6 committee of the legislative council regarding the content of the reports and specific actions 7 taken to account for transfers from school district general funds, to eliminate or reduce 8 variations in the reporting of data, and to ensure that the financial data is available in a form 9 that allows for accurate and consistent comparisons. 10 SECTION 19. NATIONAL ASSESSMENT OF EDUCATIONAL PROGRESS 11 **TESTING.** The department of public instruction shall participate in the national assessment of 12 educational progress (NAEP) testing program for the 1999-2001 biennium. 13 SECTION 20. FEDERAL FUNDING FOR SPECIAL EDUCATION URGED. The 14 fifty-sixth legislative assembly urges the Congress of the United States and the President to 15 increase federal funding for special education to achieve, within the next three years, the 16 statutory goal of the federal government providing funding for special education students equal 17 to 40 percent of the national average per student educational expenditure. The secretary of 18 state shall send copies of this section to the President, the members of the North Dakota 19 congressional delegation, the national conference of state legislatures, and the state 20 superintendent of public instruction. 21 **SECTION 21. AMENDMENT.** If House Bill No. 1034 does not become effective. 22 section 15-21-02 of the 1997 Supplement to the North Dakota Century Code is amended and 23 reenacted as follows: 24 **15-21-02.** Salary and traveling expenses. The annual salary of the superintendent of 25 public instruction is fifty-six fifty-nine thousand five four hundred sixty-eight thirty-seven dollars 26 through June 30, 1998 2000, sixty thousand six hundred twenty-six dollars through 27 <u>December 31, 2000</u>, and <u>fifty-eight sixty-seven</u> thousand two <u>six</u> hundred seventy-two <u>nineteen</u> 28 dollars thereafter. The superintendent is also entitled to reimbursement for expenses incurred 29 in the discharge of official duties, such expenses to be paid monthly on a warrant prepared by 30 the office of management and budget and signed by the state auditor, upon the filing of an 31 itemized and verified statement of expenses.

ı	SECTION 22. AMENDMENT. Section 15.1-02-02 of the North Dakota Century Code
2	as created by House Bill No. 1034, as approved by the fifty-six legislative assembly, is
3	amended and reenacted as follows:
4	15.1-02-02. Salary and traveling expenses. The annual salary of the superintendent
5	of public instruction is fifty-eight fifty-nine thousand two four hundred seventy-two thirty-seven
6	dollars through June 30, 2000, sixty thousand six hundred twenty-six dollars through
7	December 31, 2000, and sixty-seven thousand six hundred nineteen dollars thereafter.
8	SECTION 23. AMENDMENT. If House Bill No. 1034 does not become effective,
9	Section 15-21-03 of the North Dakota Century Code is amended and reenacted as follows:
10	15-21-03. Appointment of deputy - Assistant assistant - Clerks. The
11	superintendent of public instruction may appoint a deputy for whose official acts he is
12	responsible, and an assistant whose duty it is to assist the superintendent of public instruction
13	in visiting schools and institutes, to attend school officers' meetings, and to perform such other
14	duties as may be required of him. The superintendent also may employ such clerks as are
15	necessary in carrying on the work of the department.
16	SECTION 24. AMENDMENT. Section 15.1-02-03 of the North Dakota Century Code
17	as created by House Bill No. 1034, as approved by the fifty-sixth legislative assembly, is
18	amended and reenacted as follows:
19	15.1-02-03. Appointment of deputy assistant - Employment of personnel. The
20	superintendent of public instruction may appoint a deputy superintendent and an assistant.
21	The superintendent may also hire personnel or contract with other persons to perform the work
22	of the department of public instruction.
23	SECTION 25. AMENDMENT. Section 15-59-06 of the 1997 Supplement to the North
24	Dakota Century Code is amended and reenacted as follows:
25	15-59-06. State cooperation in special education. Students with disabilities who are
26	receiving special education services must be deemed to be regularly enrolled in the school
27	district of residence and must be included in the determination of payments from the state
28	foundation aid program whether or not the students regularly attend school in the school or
29	school district receiving the payments. A prorated state foundation aid payment for a student to
30	attend a public school program for students with disabilities, approved by the superintendent of
31	public instruction, may be made if the individualized education program for the student is

31

1 written during the last quarter of the school term and specifically requires that the student 2 attend a summer special education program. In the case of a student who is enrolled in a 3 nonpublic school but who attends a public school special education program, payments must 4 be made to the appropriate public school district for the portion of a normal schoolday the 5 student participates in special education. For the purposes of this section, a normal schoolday 6 consists of six hours. The amount the school district is required to expend must be reduced 7 proportionately if a student attends the school for less than an entire year. If any school district 8 within a special education unit has a student with disabilities who, in the opinion of the student's 9 multidisciplinary team, is unable to attend the public schools in the special education unit 10 because of a disability, the school district shall contract with an in-state public school located 11 outside the special education unit in which the student is a legal resident, if the school will 12 accept the student and has proper services for the student's education. No school district may 13 enter into a contract with any in-state public school for the education of any student because of 14 a disability, unless the services provided by the school and the contract have been approved in 15 advance by the superintendent of public instruction. The contract must provide that the school 16 district agrees to pay to the in-state public school as part of the cost of educating the student an 17 amount for the school year equal to two and one-half three times the state average per student 18 elementary or high school cost, depending upon the student's level of enrollment. The payment 19 may not exceed the actual per student cost incurred by the in-state public school. The school 20 district's liability must be reduced proportionately if the student attends the in-state public 21 school for less than an entire year. The superintendent of public instruction, upon notification 22 by the admitting district and upon verification by the superintendent that tuition payments are 23 due the admitting district and are unpaid, shall withhold all payments from the state for 24 foundation aid payments to the district of residence an amount equal to the unpaid tuition until 25 the tuition due that amount has been paid. The transportation must be furnished as provided 26 by rules of the superintendent of public instruction. The superintendent of public instruction 27 shall reimburse school districts eighty percent of the remainder of the actual cost of educating 28 the student with disabilities not covered by other payments or credits must be paid from funds, 29 within the limits of legislative appropriations for that purpose.

15-59-06.2. Cost of special education - Liability of school district. If allowable costs for special education and related services for a child with disabilities in a special education program, as determined by the superintendent of public instruction, exceed the reimbursement provided by the state, the school district is liable to pay for each such student an amount over the state reimbursement up to a maximum each school year of two and one half three times the state average per pupil per student elementary or high school cost, depending on whether the enrollment would be in a grade or high school department, and twenty percent of all remaining costs. The two and one half three times amount includes the amount the school district is required to pay in section 15-59-06. The state is liable for one hundred eighty percent of the remainder of the cost of education and related services for each such student with disabilities within the limits of legislative appropriations for that purpose.

SECTION 27. AMENDMENT. Section 15-59-07 of the 1997 Supplement to the North Dakota Century Code is amended and reenacted as follows:

15-59-07. Contracts for students with disabilities to attend private or out-of-state public schools. If any school district in this state has a student with disabilities who in the opinion of the student's multidisciplinary team is unable to attend the public schools in the district because of a physical or mental disability or because of a learning disability, the school district shall contract with any accredited private nonsectarian nonprofit corporation within or outside the state or an out-of-state public school which has proper facilities for the education of the student, if there is no public school in the state which has the necessary services and which will accept the student. No school district may enter a contract with any private nonsectarian nonprofit corporation or out-of-state public school for the education of any student having a physical or learning disability, unless the services provided by the school and the contract have been approved in advance by the superintendent of public instruction. The contract must provide that the school district agrees to pay to the private nonsectarian nonprofit corporation or the out-of-state public school as part of the cost of educating the student an amount for the school year equal to two and one half three times the state average per student elementary or high school cost, depending upon the student's level of enrollment and twenty percent of all remaining costs.
