**BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

**SECTION 1.** A new subsection to section 39-01-01 of the North Dakota Century Code is created and enacted as follows:

"Recreational vehicle" means any motorcycle not qualified for registration, all-terrain vehicle, snowmobile, vessel, or personal watercraft.

**SECTION 2. AMENDMENT.** Subsection 67 of section 39-01-01 of the North Dakota Century Code is amended and reenacted as follows:

~~67:~~ 68. "Semitrailer" includes every vehicle of the trailer type so designed and used in conjunction with a truck or truck tractor that some part of its own weight and that of its own load rests upon or is carried by a truck or truck tractor, except that it does not include a "housetrailer" or "mobile home" as defined in subsection ~~82~~ 83.

**SECTION 3. AMENDMENT.** Subsection 2 of section 39-04-36 of the North Dakota Century Code is amended and reenacted as follows:

2. Upon applying for the transfer of the registration and paying a five dollar fee, a person who transfers or assigns to another person the ownership of a registered vehicle may receive credit for the unused portion of the fees paid for the transferred vehicle. The department may establish procedures that permit the transferor to assign the credit to the transferee if the transferor is the spouse, a sibling, or a lineal ancestor or descendant of the transferee. One-twelfth of the annual fee must be credited for each month of the registration period remaining after the month in which the transfer is made. The credit may not extend beyond the original expiration of the registration. Except as provided in section 39-04-44, the credit must be applied to the registration fees for a replacement vehicle. The transferor shall apply for the transfer of registration within thirty days of the purchase of the replacement vehicle.

**SECTION 4. AMENDMENT.** Section 39-05-17.2 of the North Dakota Century Code is amended and reenacted as follows:

**39-05-17.2. Body damage disclosure - Rules - When required - Penalty.**

1. The department shall adopt rules relating to the manner and form of disclosing motor vehicle body damage on the certificate of title to a motor vehicle. The rules must provide for a damage disclosure statement from the transferor to the transferee at the time ownership of a motor vehicle is transferred and provide that the department must refuse to transfer the title without the required damage disclosure statement.

2. Motor vehicle body damage disclosure requirements apply only to the transfer of title on ~~all current year models~~ of motor vehicles of a model year which have been released in the current calendar year and those ~~models manufactured~~ motor vehicles of a model year which were released in the seven calendar years before the current ~~model~~ calendar year. When a motor vehicle has been subject to this disclosure requirement and ~~more than eight years have elapsed since the date of manufacture~~ a motor vehicle of a model year has not been released in the current calendar year or the seven calendar years before the current calendar year, the holder of the certificate of title with the damage disclosure may have the disclosure removed and a new certificate of title issued for a fee of five dollars.
3. As used in this section, "motor vehicle damage" means a change in the body or structure of a motor vehicle, generally resulting from a vehicular crash or accident, including loss by fire, vandalism, weather, or submersion in water, resulting in damage to the motor vehicle which equals or exceeds the greater of five thousand dollars or forty percent of the predamage retail value of the motor vehicle as determined by the national automobile dealers association official used car guide. The term does not include body or structural modifications, normal wear and tear, glass damage, hail damage, or items of normal maintenance and repair.
4. A person repairing, replacing parts, or performing body work on a motor vehicle ~~that is less than eight years old~~ of a model year which was released in the current calendar year or the seven calendar years before the current calendar year shall provide a statement to the owner of the motor vehicle when the motor vehicle has sustained motor vehicle damage requiring disclosure under this section. The owner shall disclose this damage when ownership of the motor vehicle is transferred. When a vehicle is damaged in excess of seventy-five percent of its retail value as determined by the national automobile dealers association official used car guide, the person repairing, replacing parts, or performing body work on the motor vehicle ~~that is less than eight years old~~ of a model year which has been released in the current calendar year or the seven calendar years before the current calendar year shall also advise the owner of the motor vehicle that the owner of the vehicle must comply with section 39-05-20.2.
5. The amount of damage to a motor vehicle is determined by adding the retail value of all labor, parts, and material used in repairing the damage. When the retail value of labor has not been determined by a purchase in the ordinary course of business, for example when the labor is performed by the owner of the vehicle, the retail value of the labor is presumed to be the product of the repair time, as provided in a generally accepted autobody repair flat rate manual, multiplied by thirty-five dollars.
6. A person who violates this section or rules adopted pursuant to this section is guilty of a class A misdemeanor.

**SECTION 5. AMENDMENT.** Subparagraph a of paragraph 3 of subdivision b of subsection 2 of section 39-06-14 of the North Dakota Century Code is amended and reenacted as follows:
