Requested by Legislative Council		Date of Request:	12-29-98	

 Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts. Please provide breakdowns, if appropriate, showing salaries and wages, operating expenses, equipment, or other details to assist in the budget process. In a word processing format, add lines or space as needed or attach a supplemental sheet to adequately address the fiscal impact of the measure.

Narrative: It is not possible to estimate the fiscal impact of this bill as it is not possible to estimate the number of vehicle owners who would choose to purchase collegiate license plates. Each pair of license plates will cost the department \$8.00 to \$10.00 to purchase, but will generate \$25.00 in revenue each year. The net effect would be a gain in revenue for the Highway Fund, as well as county and city highway funds.
