All moneys transferred into the fund, interest upon moneys in the fund, and collections of interest and principal on loans made from the fund are hereby appropriated for disbursement pursuant to the requirements of this chapter.

Nursing facility alternative loan fund.

Department to award grants or make loan guarantees.

 - b. Basic care, assisted living services, or other alternatives to nursing facility care are unlikely to be available in the area for individuals eligible for services under the medical assistance program; and
 - c. The resulting reduction in the availability of nursing facility service is not expected to cause undue hardship on those individuals requiring nursing facility services.
 6. No grant may be awarded or loan approved unless the applicant agrees:
 - a. To maintain a minimum occupancy rate by individuals eligible for supplemental security income benefits provided under title XVI of the Social Security Act [42 U.S.C. 1382, et seq.]; and
 - b. To refund to the nursing facility alternative grant fund or the nursing facility alternative loan fund, on an amortized basis, the amount of the grant or loan if the applicant or its successor in interest ceases to operate a basic care facility, assisted living facility, or other alternative to nursing facility care during the ten-year period after the date the applicant began operation of its facility as a basic care facility, assisted living facility, or other alternative to nursing facility care ceases to maintain the agreed minimum occupancy rate or fails to commence operations within a reasonable time.

7. In addition to other remedies provided by law or contract, the department may deduct the amount of any refund due from a recipient of grant or loan guarantee funds from any money owed by the department to such recipient or the recipient's successor in interest.
