Minutes:Chr DeKrey opened the hearing on HB 1300. All committee present with the exception of Rep Onstad. I don't see Rep. Wald. Is there anyone who can explain this bill to us?

Chuck Keller, Attorney General's Office, Chief Auditor, Gaming Dept. : (49) The Attorney General's Office is neutral on this bill. We helped clarify and condense the bill. This bill is an attempt to enable small charitable organizations to conduct what is called *charity night events*. Rep. Wald and I agree that the bill, in it's present format, doesn't really reflect what he would like this bill to do for him. In the amended form, the new fiscal note will be considerably less. Rep.Wald attempt was to establish a charitable permit that is something between a local permit and a state wide permit. I will explain both types so you can understand how they fit into the amendment. In ND, an organization may apply for either a local permit or a state-wide permit. If they are applying for a local permit, the organization can not be incorporated, must be non-profit; however. Any organization that has considered buying a local government body. The organization is limited to conducting three (3) game types - bingo, raffle and sports pool. The

organization may conduct a limited number of gaming events per year, but the prices cannot exceed \$6,000 for all three game types. The organization with a local permit may use the net proceeds for any purpose whatsoever, except for promoting a political candidate. On the other side, an organization can apply for a state-wide permit. The organization must file gaming tax returns. The license fee is \$150.00. The fee for a local permit is \$25.00. They are also able to conduct three more kinds of gaming, but only once a year. The net income must be disbursed for prescribed uses. The Office has come up with amendment to clarify the bill and actually condense it, to what we believe what the legislation was intended.

Chair DeKrey : Has a new fiscal note been prepared yet?

Chuck Keller : No. I will prepare an amended fiscal note reflecting these proposals.

Chair DeKrey : We will wait until we get that to act on this bill.

Rep. Grande : I **move to adopt amendments**

Rep. Delmore : (600) There seems to be little regulation in this bill. With the expansion of gambling, it's very open with what we are doing with it.

Chr DeKrey: What kind of endorsement action does the Attorney General's Office have to take. When they have to send someone to see what was taken in and this is what we spent the money on.

Chuck Keller: The organization is required to file a report with the Attorney General's Office. So there is a reporting form, but I can't speak to the level of accountability we would have.

Rep Delmore: There seems to be little regulation in this bill, is it limited to what the response can be used for, as a candidate can I use something as a one night event for my political campaign?

Chuck Keller: No, that is the one exception to the use of funds.

Rep Delmore: Is it possible to regulate through your office, to make sure that the money goes where it is supposed to go?

Chuck Keller: It is certainly possible.

Chr DeKrey: Are there any further questions, thank you for appearing in front of this committee.

If not, we will close the hearing on HB 1300..

2. Narrative: *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

The bill would enable a public-spirited organization that is not licensed by the Attorney General to conduct one charity gaming event per year to raise funds for eligible uses prescribed by the gaming law. The organization would apply to the governing body of the city or county for a charity local permit. Games of raffles, bingo, sports pools, paddlewheels, twenty-one, and poker would be allowed. Total prize payouts would not exceed six thousand dollars. After the event, the organization would file an information report with the governing body of the city or county and Attorney General.

3. State fiscal effect detail: *For information shown under state fiscal effect in 1A, please:*

A. Revenues: *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

General Fund revenues would decrease because licensed organizations that presently file gaming tax returns would qualify for a charity local permit and not be subject to gaming tax on the adjusted gross proceeds of their gaming activity. The bill would impact five organizations.

Revenue for the cities would decrease because licensed organizations that presently pay a fee of one hundred dollars for a site authorization would instead pay a fee of twenty-five dollars for a charity local permit.

B. Expenditures: *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

Not applicable

C. Appropriations: *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Minutes: **Senator Traynor** opened the hearing on HB 1300: A BILL FOR AN ACT TO CREATE AND ENACT A NEW SECTION TO CHAPTER 53-06.1 OF THE NORTH DAKOTA CENTURY CODE, RELATING TO SPONSORING OF CHARITY NIGHT EVENTS BY ELIGIBLE ORGANIZATIONS.

Representitive Wald, district 37, bill designed for an annual event. Reason for bill is for a one timeannual event. Don't want to jump through hoops. Paper work is so great they don't want to hold a charitable event. Paper work is to intense.

Senator Traynor, they pay no tax?

Rep. Wald, they pay no tax on these events. This would be for small charitable groups.

Senator Watne, They don't do gaming now?

Rep. Wald, correct.This is designed for small annual events.

Senator Dever, who gives the permit?

Rep. Wald, the authors of the organization from a city county commission. That is not a change in the law.

Senator Traynor, what about a rural fire department? They couldn't do this already?

Senator Trenbeath, a fire department can't do this?

Senator Watne, this bill would effect about 5 organizations.

Rep. Wald, I would defer that to Mr. Waller.

Keith Waller, from Attorney General's gaming division. Neutral on the bill.

Senator Trenbeath, I don't see anything that doesn't already have a gaming site. Where does it say mutually exclusive.

Keith Waller, Reads in on 53-06.1-03 subsection 1.

Brenda Duset, excecutive director for nonprofit organization, in favor of the bill.

Differences of a Local Permit, Charity Local Permit, and State License

	<u>Local Permit</u>	<u>Charity Local Permit</u>	<u>State License</u>
Year of origin	1977	New	1977
Number of events per year	Limited by prizes	One	Unlimited
Prize Limitations per year	\$6,000	\$6,000	Unlimited
Local permit or license fee	\$25	\$25	\$150

Use of net proceeds	Unrestricted, except for political purposes	Restricted	Restricted
Games allowed	Bingo Raffles Sports pools	Bingo Raffles Sports pools Poker Twenty-one Paddlewheels	Bingo Raffles Sports pools Poker Twenty-one Paddlewheels Pull Tabs Punchboards Calcuttas

Summary - A charity local permit is new and is a blend of a local permit and state license.

Compared to a local permit, an organization that has a charity local permit would be able to conduct 3 more game types (poker, twenty-one, & paddlewheels), but would be restricted to 1 event per year, would file an activity report, and would disburse net proceeds to restrictive uses.

Compared to a state license, an organization that has a charity local permit would not have to pay license and site authorization fees and tax on gaming activity, but would be restricted to 1 event per year, would use chips as wagers for all games, would have prizes restricted to \$6,000 per year, and would not be able to conduct pull tabs, punchboards, or calcuttas.
