Minutes:

Senator Urlacher: Opened the hearing on SB 2059, relating to collection of real estate taxes and the form of a tax deed.

Charles Krueger, State Supervisor of Assessments, testified in support of the bill, explaining each section. Written testimony attached.

Senator Urlacher: What were the reasons for the 1999 actions that we're bringing back?

Charles Krueger: The 1999 legislation consisted of 48 sections. It took this huge, cumbersome system and streamlined it and as a result, in doing that work, a couple things were inadvertently overlooked. We want to fine-tune that 1999 legislation.

Senator Christmann: With section 5, what you want add to 57-28 actually was necessary it just that it used to be in 57-27 and we repealed that whole chapter so now you're going to stick in 28?

Charles Krueger: That's exactly right.

Senator Stenehjem: Let's say I own a piece of real estate, is my assessed valuation the same as my taxable evaluation or are there two different amounts there? Is there a difference?"

Charles Krueger: Yes there is.

Senator Stenehjem: If you're going off taxable values instead rather than assessed values, then my tax is going to be less on the taxable value than the assessed value. Is that correct?

Charles Krueger: Yes.

Senator Urlacher: This will build some uniformity?

Charles Krueger: I think it's already there but this is a holdover from 1981 when the assessed value was multiplied times .5 to come up the taxable value.

Senator Urlacher: Closed the hearing.

AMENDMENT ACTION:

Motion made by Senator Wardner, Seconded by Senator Christmann, to move amendment 18076.0100. Voice Vote taken. All in favor, amendment adopted.

COMMITTEE ACTION:

Motion was made by Senator Christmann for DO PASS AS AMENDED, Seconded by Senator Wardner. Vote was 6 yeas, 0 nay, and 0 absent or not voting. Bill carrier was Senator Christmann.

Minutes:

REP. AL CARLSON, CHAIRMAN Opened the hearing.

CHUCK KRUEGER, STATE SUPERVISOR OF ASSESSMENTS, STATE TAX DEPARTMENT, Testified in support of the bill, referred to it as a housekeeping bill.

See attached written testimony.

REP. DROVDAL Referred to Section 7, it is strange to see an effective date back to 1999, why is that date in there?

CHUCK KRUEGER What happened, is Section 2 and Section 5, we would like that to take effect immediately, this relates to the collection of 1999 tax on lease hold interests, and those provisions were due in the year 2000, and are now delinquent in the year 2001. In order to proceed with the collection procedures, we need to get this into effect to collect taxes for the year 1999.

REP. DROVDAL Can we pass a law for something that is long gone?

CHUCK KRUEGER When we reviewed this, we would not have done something that was illegal.

REP. SCHMIDT Asked what the word "escheated" means.

CHUCK KRUEGER It means that title to the property has reverted to the state because of failure to pay the taxes.

With no further testimony, the hearing was closed.

2001 TESTIMONY

SB 2059

Testimony Before the Senate Finance and Taxation Committee

January 15, 2001

Senate Bill 2059

Charles Krueger, State Supervisor of Assessments

Chairman Urlacher, Committee Members: My name is Charles Krueger. I am the State Supervisor of Assessments and the Director of the Property Tax Division of the Office of State Tax Commissioner. I am here to explain Senate Bill 2059, a technical bill, and to propose an amendment to Section 7. I have distributed copies of the amendment along with my testimony.

Section 1 of the bill removes obsolete language referring to assessed valuation and substitutes taxable valuation.

Section 2 reinstates the provisions for the collection of real estate taxes on leasehold or other possessory interests that were inadvertently repealed by 1999 legislation in the passage of Senate Bill 2334. That bill repealed N.D.C.C. Chapter 57-24, which contained the collection procedures. (See 1999 Session Laws Chapter 503, Section 47.)

Section 3 directs the County Auditor to forward all abatement applications to either the City Auditor or Township Clerk within five business days after the filing date.

Section 4 amends N.D.C.C. Section 57-28-07, eliminating some of the outdated language in the statute relating to the form used in the notice for publication.

Section 5 reinstates the form used in tax deed proceedings for transferring title on escheated property from the state to the county. This provision was inadvertently repealed by 1999 legislation in the passage of Senate Bill 2334 that repealed N.D.C.C. Chapter 57-27. (See 1999 Session Laws Chapter 503, Section 47.)

Section 6 amends N.D.C.C. Section 57-45-11, eliminating some outdated terms and language that are no longer in use.

Finally, Section 7 establishes an effective date for the legislation. The proposed amendment makes sections 2 and 5 of this Act effective for taxes which become due after December 31, 1999.

This concludes my testimony. I will respond to any questions you may have about this bill.
