

Fifty-seventh  
Legislative Assembly  
of North Dakota

REENGROSSED SENATE BILL NO. 2252

Introduced by

Senators Krauter, T. Mathern, Kringstad

Representatives Thorpe, Nottestad, Gulleason

1 A BILL for an Act to amend and reenact paragraph 5 of subdivision d of subsection 1 of section  
2 57-38-01.2 and subsection 5 of section 57-38-30.3 of the North Dakota Century Code, relating  
3 to income tax deductions or credits for adoption expenses; and to provide an effective date.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Paragraph 5 of subdivision d of subsection 1 of section  
6 57-38-01.2 of the North Dakota Century Code is amended and reenacted as follows:

7 (5) Reduced by one thousand seven hundred fifty dollars for each child  
8 under the age of twenty-one years adopted by the taxpayer. The  
9 reduction under this paragraph may be claimed only by an adoptive  
10 parent of an adopted child and the child must qualify as a dependent of  
11 the adoptive parent for federal income tax purposes. The reduction  
12 may be claimed by only one spouse, for spouses filing separately under  
13 this chapter. The reduction provided by this paragraph may be claimed  
14 ~~only~~ for the taxable year in which the adoption becomes final and ~~the~~  
15 any unused portion of the reduction may be carried forward by the  
16 taxpayer for up to five taxable years. The reduction does not apply to  
17 the adoption of children of the taxpayer's spouse.

18 **SECTION 2. AMENDMENT.** Subsection 5 of section 57-38-30.3 of the North Dakota  
19 Century Code is amended and reenacted as follows:

20 5. For purposes of this section, "federal income tax liability" means the individual's,  
21 estate's, or trust's federal income tax computed for the taxable year under Internal  
22 Revenue Code sections 1 and 3, relating to the computation of the regular federal  
23 income tax before credits, including calculation and tax rate modifications

- 1           prescribed under other provisions of the Internal Revenue Code, adjusted as  
2           follows:
- 3           a.   Add the alternative minimum tax computed under Internal Revenue Code  
4                section 55;
  - 5           b.   Add the tax on a lump sum distribution computed under Internal Revenue  
6                Code section 402; however, this adjustment does not apply if the lump sum  
7                distribution is received while a nonresident of this state and is exempt from  
8                taxation by this state under federal law;
  - 9           c.   Add the tax on an accumulation distribution of a trust computed under Internal  
10               Revenue Code section 667;
  - 11          d.   Add the tax computed under Internal Revenue Code section 72(m)(5) on  
12               excess benefits received from a qualified plan under Internal Revenue Code  
13               section 401(a) or a qualified annuity under Internal Revenue Code section  
14               403(a);
  - 15          e.   Add the tax computed under Internal Revenue Code section 72(q)(1) on an  
16               early distribution from an annuity contract;
  - 17          f.   Add the tax computed under Internal Revenue Code section 72(t)(1) on an  
18               early distribution from a qualified retirement plan;
  - 19          g.   Add the tax computed under Internal Revenue Code section 4973(a) on  
20               excess contributions to an individual retirement account, medical savings  
21               account, and certain Internal Revenue Code section 403(b) and annuity  
22               contracts; however, this adjustment does not apply if the individual, estate, or  
23               trust is a nonresident of this state;
  - 24          h.   Add the tax computed under Internal Revenue Code section 4974(a) on  
25               excess accumulations in a qualified retirement plan; however, this adjustment  
26               does not apply if the individual, estate, or trust is a nonresident of this state;
  - 27          i.   Add the tax computed under Internal Revenue Code section 4980A on  
28               excess distributions from a qualified retirement plan; ~~and~~
  - 29          j.   Subtract the credit for prior year minimum tax computed under Internal  
30               Revenue Code section 53; and

1            k. Subtract the credit for qualified adoption expenses computed under Internal  
2            Revenue Code section 23, but not in an amount exceeding one thousand  
3            seven hundred fifty dollars.

4            Unless specifically provided for in this subsection, no federal income tax credit may  
5            be subtracted in determining the federal income tax liability for purposes of this  
6            section.

7            **SECTION 3. EFFECTIVE DATE.** This Act is effective for taxable years beginning after  
8            December 31, 2000.
