"SECTION 5. INMATE PAY AND DEDUCTIONS FROM INMATE PAY - LEGISLATIVE COUNCIL STUDY. During the 2001-02 interim, the legislative council shall consider studying wages paid to inmates sentenced to the state correctional system and the various deductions from those wages, including methods used to determine rates of pay; actual wages paid to inmates; deductions from inmate wages; and the effect deductions for incarceration costs, facility operation costs, and capital improvement costs have on inmate payments for child support and restitution.

SECTION 6. DEPARTMENT OF CORRECTIONS AND REHABILITATION FACILITY NEEDS - LEGISLATIVE COUNCIL STUDY. During the 2001-02 interim, the legislative council shall consider studying the facility needs of the department of corrections and rehabilitation, including the adequacy and utilization of the department's existing facilities; anticipated future facility needs considering the impact of alternative programs and trends in inmate population; the feasibility and desirability of increased utilization of county and private correctional facilities; and facilities required to address the needs of various inmate populations, including female inmates and inmates diagnosed with serious mental illness.

SECTION 7. FEDERAL FUNDING REDUCTIONS - BUDGET SECTION APPROVAL. If, during the biennium beginning July 1, 2001, and ending June 30, 2003, the federal government reduces funding below the level anticipated by the fifty-seventh legislative assembly for any programs administered by the department of corrections and rehabilitation, the department may not supplant the federal funds with general or special fund moneys without first obtaining the approval of the budget section of the legislative council. The department's budget request for the biennium beginning July 1, 2003, and ending June 30, 2005, must identify any programs for which general or special fund appropriation authority is requested to replace federal funds previously available for the program.

SECTION 8. YOUTH CORRECTIONAL CENTER - TEACHER CONTRACTS FOR SUMMER EDUCATION PROGRAMS. The salaries and wages line item included in subdivision 2 of section 1 of this Act includes funding for teacher contracts to support the summer education program at the youth correctional center. Any moneys budgeted for teacher contracts for the summer education program but not spent for that purpose may not be used for any other purpose and must be returned to the general fund at the end of the biennium beginning July 1, 2001, and ending June 30, 2003.

SECTION 9. TRANSFERS BETWEEN LINE ITEMS AND SUBDIVISIONS - COMPUTER PURCHASES. Notwithstanding section 54-16-04, the department of corrections and rehabilitation may transfer between the various subdivisions included in section 1 of this Act and between the various line items included in subdivision 3 of section 1 of this Act for the purpose of purchasing personal computers to carry out the duties of the department.

SECTION 10. OPERATION OF "PRERELEASE" AND "DUI OFFENDER TREATMENT" PROGRAMS - REPORT TO THE FIFTY-EIGHTH LEGISLATIVE ASSEMBLY. During the biennium beginning July 1, 2001, and ending June 30, 2003, the department of corrections and rehabilitation shall monitor the operation of the programs known as the "prerelease center" and the "DUI offender treatment center" authorized by the fifty-seventh legislative assembly. The department shall present a report to the appropriations committees of the fifty-eighth legislative assembly regarding the operation of the programs, including the impact of the programs on recidivism rates; the cost-effectiveness of the programs; the success of the programs; the ability to collect fees, if any, from the participating inmates; and a comparison of the costs and benefits of the "prerelease center" and the "DUI offender treatment center" to other forms of treatment or incarceration.

SECTION 11. "PRERELEASE" PROGRAM AND INMATE CONTRACT HOUSING - USE OF MONEYS APPROPRIATED. The institutional offender services line item contained in subdivision 3 of section 1 of this Act includes funding for the operation of a "prerelease center". Any moneys budgeted for the operation of the "prerelease center" but not spent for that purpose may not be used for any other purpose except contracting for additional inmate beds at county or private correctional facilities, as determined necessary by the department. Notwithstanding section 54-16-04, the department may transfer moneys from the institutional offender services line item to the security and safety line item in subdivision 3 of section 1 of this Act as determined necessary by the department to contract for inmate housing.

SECTION 12. LEGISLATIVE INTENT - FUNDING FOR DRUG COURT PROGRAM. It is the intent of the fifty-seventh legislative assembly that the department of corrections and rehabilitation seek federal funding to support the drug court program during the biennium beginning July 1, 2001, and ending June 30, 2003. If federal funds do not become available to the department to support the program, special funds derived from other income of the department may be used to fund the program. If federal funds become available during the biennium, the department must use the federal funds, and any required matching funds to be provided from special funds, to fund the program for the remainder of the biennium before funds from any other source are used for this purpose. Special fund moneys not used for the drug court program pursuant to this section must be used in place of general fund moneys appropriated by the fifty-seventh legislative assembly for other programs operated by the department.

SECTION 13. AMENDMENT. Section 12-59-02 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

12-59-02. Meetings - Compensation - Rules. The governor shall appoint a member of the parole board to be chairman. The chairman of the parole board shall designate three members of the parole board for each meeting of the parole board. SECTION 14. A new section to chapter 54-23.3 of the North Dakota Century Code is created and enacted as follows:

Approval of new programs. Notwithstanding the powers granted under section 54-23.3-04, the director of the department of corrections and rehabilitation may

not authorize any new program that serves adult or juvenile offenders, including alternatives to conventional incarceration and programs operated on a contract basis, without first reporting to the legislative assembly or, if the legislative assembly is not in session, the budget section of the legislative council.

SECTION 15. A new subsection to section 54-23.4-06 of the 1999 Supplement to the North Dakota Century Code is created and enacted as follows:

Compensation may not be awarded unless the claimant pursues each available collateral source, including claim for relief unless the claim for relief would place an undue burden on the claimant.

SECTION 16. AMENDMENT. Subsection 1 of section 54-23.4-12 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

1. If compensation is awarded, the division is subrogated to all the claimant's rights to receive or recover benefits or advantages, for economic loss for which and to the extent only that compensation is awarded, from a source that is, or, if readily available to the claimant, would be, a collateral source. The division has the right of subrogation to initiate a claim for relief to recover for economic loss from a collateral source, including a tort-feasor."

Renumber accordingly

- Funding is reduced to reflect an anticipated 20 contract bed reduction each month of the biennium due to the effect of the drug court (five less contract beds per month) and House Bill No. 1364 (15 less contract beds per month), which eliminates minimum mandatory sentences for certain first-time drug offenders.
- Funding is increased to reflect an anticipated 75 contract bed increase for each of the last eight months of the biennium due to not constructing the women's unit.

This amendment also adds the following sections:

- Section 5, which directs the Legislative Council to consider studying issues relating to inmate wages and various deductions from those wages.
- Section 6, which directs the Legislative Council to consider studying the facility needs of the Department of Corrections and Rehabilitation.
- Section 7, which provides that if federal funding is reduced during the 2001-03 biennium, the department may not supplant the federal funds with general or special funds. The department must also identify any programs included in its 2003-05 biennium budget request for which general or special fund appropriation authority is requested to replace federal funds previously available for the program.
- Section 8, which provides that any moneys budgeted by the Youth Correctional Center for teacher contracts for the summer education program but not spent for that purpose must be returned to the general fund at the end of the 2001-03 biennium.
- Section 9, which authorizes the department to transfer funds between the subdivisions and program line items included in the bill for the purpose of providing for computer purchases.
