If married individuals who file a joint federal income tax return are required to file separate state income tax returns under any provision of this chapter, the tax under this subsection for each spouse must be determined by applying the rates under subdivision b to the spouses' joint North Dakota taxable income and prorating the result between the spouses based on their separate North Dakota taxable incomes.

h. For taxable years beginning after December 31, 2001, the tax commissioner shall prescribe new rate schedules that apply in lieu of the schedules set forth in subdivisions a through e. The new schedules must be determined by increasing the minimum and maximum dollar amounts for each income bracket for which a tax is imposed by the cost-of-living adjustment for the taxable year as determined by the secretary of the United States treasury for purposes of section 1(f) of the United States Internal Revenue Code of 1954, as amended. For this purpose, the rate applicable to each income bracket may not be changed, and the manner of applying the cost-of-living adjustment must be the same as that used for adjusting the income brackets for federal income tax purposes.

3. ~~The adjusted federal income tax liability for a resident individual, estate, and trust must be determined by multiplying the federal income tax liability by a fraction, the numerator of which is the adjusted gross income taxable to this state and the denominator of which is the total adjusted gross income as reported on the federal income tax return.  - a. ~~Interest income from obligations of the United States and income exempt from state income tax under federal statute or United States or North Dakota constitutional provisions.~~
 - b. ~~The portion of a distribution from a qualified investment fund described in section 57-38-01 which is attributable to investments by the qualified investment fund in obligations of the United States, obligations of North Dakota or its political subdivisions, and any other obligation the interest from which is exempt from state income tax under federal statute or United States or North Dakota constitutional provisions.~~
