Page 1, line 1, after "A BILL" replace the remainder of the bill with "for an Act to create and enact a new section to chapter 50-25.1 of the North Dakota Century Code, relating to abandoned infants.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new section to chapter 50-25.1 of the North Dakota Century Code is created and enacted as follows:

Abandoned infant - Hospital procedure - Reporting immunity.

1. As used in this section:
 - a. "Abandoned infant" means an abandoned infant as defined in section 27-20-02 and which has been left at a hospital in an unharmed condition.
 - b. "Hospital" means a facility licensed under chapter 23-16.
2. A parent of an infant may abandon the infant at any hospital. An agent of the parent may leave an abandoned infant at a hospital with the parent's consent. Neither the parent nor the agent is subject to prosecution under sections 14-07-15 and 14-09-22 for leaving the abandoned infant at a hospital.
3. A hospital shall accept an infant abandoned or left under this section. The hospital may request information regarding the parents and shall provide the parent or the agent with a medical history form and an envelope with the hospital's return address. Neither the parent nor the agent is required to provide any information.
4. The hospital shall provide the parent or the agent with a numbered identification bracelet to link the parent or the agent to the abandoned infant. Possession of an identification bracelet does not entitle the bracelet holder to take custody of the abandoned infant on demand. If an individual possesses a bracelet linking the individual to an abandoned infant left at a hospital under this section and parental rights have not been terminated, possession of the bracelet creates a presumption that the individual has standing to participate in a protection services action brought under this chapter or chapter 27-20. Possession of the bracelet does not create a presumption of maternity, paternity, or custody.
5. The hospital may provide the parent or the agent with any relevant information, including:
 - a. Information about the safe place for abandoned infant programs;
 - b. Information about adoption and counseling services; and
 - c. Information about whom to contact if reunification is sought.
6. Within twenty-four hours of receiving an abandoned infant under this section, the hospital shall report to the department, as required by section 50-25.1-03, that an abandoned infant has been left at the hospital. The report may not be made before the parent or the agent leaves the hospital.
7. The hospital and its employees and agents are immune from any criminal or civil liability for accepting an abandoned infant under this section.
8. Upon receiving a report of an abandoned infant left at a hospital under this section, the department shall proceed as required under this chapter if it appears that the abandoned infant was not harmed, except the department may not attempt to identify or contact the parent or the agent. If it appears the abandoned infant was harmed, the department shall initiate an assessment of the matter as required by law.
9. If an individual claiming to be the parent or the agent contacts the department and requests to be reunited with the abandoned infant, the department may identify or contact the individual as required under this chapter and all other applicable laws. If an individual contacts the department seeking information only, the department may attempt to obtain information regarding the identity and medical history of the parents and may provide information regarding the procedures in an abandoned infant

case. The individual is under no obligation to respond to the request for information, and the department may not attempt to compel response to investigate the identity or background of the individual."

2. On February fifteenth of each year, a rental company that collects surcharges under this section shall file a report with the commissioner stating the total amount of excise taxes paid under chapter 57-40.3 on its rental vehicles for the preceding calendar year and the total amount of rental motor vehicle revenues earned on rentals in this state for the preceding calendar year. All surcharge revenues collected during the calendar year by the rental company in excess of the total amount of

excise taxes paid under chapter 57-40.3 during the calendar year by the company on rental motor vehicles must be remitted to the commissioner with the report and considered sales tax collections under this chapter.

3. For three years after filing the report under this section the rental company shall retain copies of rental contracts and the commissioner may require the rental company to furnish copies of rental contracts for purposes of ensuring compliance with this section."
