The department may accept any gift, grant, or donation, whether conditional or unconditional, for the purpose of providing funds for the children's health insurance program. The department may contract with public or private entities and may expend any moneys available to the department to obtain matching funds for the purposes of this chapter. All moneys received as a gift, grant, or donation under this section are appropriated as a standing and continuing appropriation to the department for the purpose of providing funds for the children's health insurance program.

SECTION 3. LEGISLATIVE COUNCIL STUDY. During the 2001-02 interim, the legislative council shall consider studying the coordination of the medical assistance and the children's health insurance programs, including the development of a single application form for both programs, whether the children's health insurance program should be administered by the state or the counties, the effects of eliminating the asset eligibility requirement for the medical assistance program, the standardization of the definition of "income" for all programs administered by the department of human services, and the feasibility and desirability of seeking a federal waiver to allow the children's health insurance program plan to provide coverage for a family through an employer-based insurance policy if an employer-based insurance policy is more cost-effective than the traditional plan coverage for the children. The legislative council shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the fifty-eighth legislative assembly.

SECTION 4. FEDERAL REIMBURSEMENT. The department of human services shall seek an amendment to its state plan to maximize federal reimbursement through the program to provide health assistance to low-income children funded through title XXI of the federal Social Security Act, for the removal of the asset test for the medical assistance program.

SECTION 5. EFFECTIVE DATE - EXPIRATION DATE. Section 1 of this Act becomes effective upon certification by the department of human services to the governor and the legislative council that the state plan amendments to the children's health insurance program have received federal approval. In no case, however, may section 1 of this Act become effective before January 1, 2002.
