**NORTH DAKOTA WORKERS COMPENSATION
2001 LEGISLATION
SUMMARY OF ACTUARIAL INFORMATION**

BILL DESCRIPTION: Appropriation for Bringing Contracted Services In-house

BILL NO: HB 1187

SUMMARY OF ACTUARIAL INFORMATION: North Dakota Workers Compensation, together with its actuary, Glenn Evans of Pacific Actuarial Consultants, has reviewed the legislation proposed in this bill in conformance with Section 54-03-25 of the North Dakota Century Code.

The proposed legislation appropriates \$2.57 million and 25 additional FTEs to bring contracted programs and services in-house. Estimated savings for the next biennium is \$4.2 million.

FISCAL IMPACT: We believe that the proposed change will result in a decrease to the indicated rate level of 1% to 2%.

Our estimate is based on projected annual premiums of approximately \$100 million in conjunction with anticipated net annual administrative cost savings of \$2.1 million (50% of the biennium savings). Implicit in our estimate is the assumption that loss costs will not increase or decrease due to changes in the level and/or quality of service provided through the in-house programs.

The proposed legislation should have little impact on reserve levels because the changes will be made prospectively.
