- 1 A BILL for an Act to establish a tobacco prevention advisory committee; to amend and reenact
- 2 subsection 1 of section 54-27-25 of the North Dakota Century Code, relating to the tobacco
- 3 settlement trust fund; and to declare an emergency.

4 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- 5 **SECTION 1.** <u>Definitions.</u> As used in sections 1 through 8 of this Act, unless the context otherwise requires:
- 7 <u>1. "Committee" means the tobacco prevention advisory committee.</u>
- 8 <u>2. "Grantee" means a public entity or private nonprofit entity approved by the</u>
 9 <u>committee to receive moneys from the fund for qualified tobacco prevention</u>
 10 <u>programs.</u>
 - 3. "Master settlement agreement" means the settlement agreement and related documents entered on December 28, 1998, by the state and leading United States tobacco product manufacturers.
 - 4. "Qualified tobacco prevention program" means a program that meets the criteria as set forth in the state plan.
 - 5. "State plan" means the state plan for tobacco prevention adopted pursuant to section 5 of this Act.

18 **SECTION 2.** <u>Tobacco prevention advisory committee.</u>

- 1. The tobacco prevention advisory committee is established in the office of the
 20 governor to advise and assist the state health officer in the implementation of a
 21 statewide, comprehensive tobacco control program. The membership of the
 22 committee is:
- 23 <u>a. The governor or the governor's designee.</u>
 - Two legislative members appointed by the chairman of the legislative council.

1 The attorney general or the attorney general's designee. C. 2 <u>d.</u> One individual who represents American Indians, appointed by the governor 3 from a list consisting of a nominee provided by each of the tribal councils in 4 the state. 5 One individual who is under age eighteen at the time of nomination, <u>e.</u> 6 appointed by the governor. 7 f. One individual who represents nongovernmental, voluntary, tobacco control 8 organizations, appointed by the governor. 9 One individual who represents the local public health community, appointed g. 10 by the governor from a list provided by the North Dakota public health 11 association. 12 <u>h.</u> The superintendent of public instruction or the superintendent's designee. 13 <u>i.</u> The state health officer or the state health officer's designee, who may be the 14 state tobacco prevention control coordinator employed by the state 15 department of health. 16 An academic researcher with expertise in tobacco control and health į. 17 promotion intervention, appointed by the dean of the university of North 18 Dakota medical school. 19 One physician, appointed by the governor. k. 20 <u>2.</u> The appointed members serve for a term of two years and until a successor is 21 appointed. A vacancy on the committee must be filled in the same manner as the 22 original appointment for the remainder of the unexpired term. All members must 23 be residents of the state. 24 3. The governor shall convene the committee's first meeting before May 15, 2001. 25 4. Members of the committee are entitled to be compensated at a rate of sixty-two 26 dollars and fifty cents per day and are allowed the mileage and expenses as 27 provided by law for members of state officers and employees. 28 **SECTION 3.** Affairs and business of committee. The governor or the governor's 29 designee shall administer, manage, and direct the affairs and business of the committee in 30 accordance with sections 1 through 8 of this Act. The committee may use technical experts

- and other employees on a temporary basis as it may require. The actual expenses incurred in
 the performance of these duties must be paid from the fund.
- **SECTION 4.** State health officer powers. The state health officer may:
 - 1. Accept, hold, and administer any moneys appropriated or distributed to the committee or other money, securities, or other property appropriated, given, or bequeathed to the committee, absolutely or in trust, for the purposes for which the committee is created:
 - 2. Distribute the moneys in the fund to entities in accordance with the state plan;
 - 3. Contract as necessary or convenient for the exercise of its powers and functions;
 - 4. Make bylaws for the management and regulations of its affairs;
 - 5. Receive and accept aid, grants, contributions, and cooperation of any kind from any source for the purposes of sections 1 through 8 of this Act subject to the conditions, acceptable to the committee, upon which the aid, grants, contributions, and cooperation may be made;
 - 6. Invest its funds as permitted by applicable law; and
 - 7. Do any lawful act necessary or appropriate to carry out the powers granted or reasonably implied, including use of any lawful act necessary or appropriate to recover payments wrongfully made from the fund.

SECTION 5. State plan for tobacco prevention and dependency treatment.

1. Before August 1, 2001, the committee shall propose a state plan for tobacco prevention and dependency treatment. The committee shall publish its proposed state plan and submit its proposed state plan to the governor, the department of human services, the state department of health, and the attorney general. The public, the governor, the named departments, and the attorney general may submit comments to the committee on the proposed state plan before November 1, 2001. Before January 15, 2002, the committee shall adopt and publish a final state plan. For subsequent years, the committee shall set the deadlines for the submission of proposed amendments to the state plan, the submission of comments to the proposed amendments, and the adoption of amendments and publication of the amended state plan; provided, however, that grant award announcements must be made before March first as provided in section 7 of this Act.

- 1 The committee shall establish and implement a tobacco use prevention and 2 dependence treatment plan that is a sustainable, long-term, comprehensive 3 program that integrates science-based, comprehensive, and effective programs 4 including countermarketing and public education programs, community-based 5 programs, chronic disease programs, treatment of tobacco dependence, 6 school-based programs, enforcement programs, and statewide programs and 7 which includes a mechanism for ongoing monitoring and evaluation of the 8 program. The state plan must build on and may not duplicate current programs. 9 The state plan must set out the criteria by which grant proposals are considered by 10 the committee and must include components of the centers for disease control and 11 prevention's best practices for comprehensive tobacco control programs. The plan 12 must also describe the types of tobacco prevention programs that are eligible for 13 consideration for grants from the fund. The committee shall give priority to 14 programs that: 15 Are research-based or based on proven effective strategies; a. 16 Are designed to coordinate with other activities and education messages b. 17 related to other health activities; 18 Utilize and enhance existing prevention and treatment activities and <u>C.</u> 19 resources; or 20 d. Involve innovative approaches for the prevention of tobacco use. 21 The state plan must provide for an annual statewide assessment of 3. 22 tobacco-related behaviors and attitudes among youth to establish a baseline to 23 measure statewide effects of tobacco use prevention and treatment activities. To 24 the extent feasible, the assessment must be conducted so that the results may be 25 compared to nationwide data. The assessment must be made available to the 26 public, along with the resulting data, excluding respondent identities and 27 respondent-identifiable data, before September first of each year. 28 The state plan must provide that no more than five percent of the fund may be <u>4.</u>
 - **SECTION 6.** Grants for tobacco prevention programs.

expended on the administrative costs of the committee.

- 1. The committee shall meet to review applications for grants for tobacco prevention programs. A grant may not be awarded without the approval of the vote of a majority of the committee. To the extent practicable and consistent with the criteria for qualified applicants set forth in the state plan, the committee shall make awards equal to the total amount of funds appropriated for qualified tobacco prevention programs less the administrative costs of the committee.
 - 2. An applicant for a grant for a qualified tobacco prevention program must file an application with the committee no later than April 1, 2002, for the initial year of the program and for subsequent years, no later than November first of the year preceding the fiscal year for which the grant is requested.
 - 3. An applicant that requests funding to initiate, continue, or expand a tobacco prevention program must demonstrate, by means of application, letters of recommendation, and other means as the committee may designate, that the proposed tobacco prevention program for which it seeks funds meets the criteria set forth in the state plan. Previous grant recipients shall include recent evaluations of their programs with their applications. The committee may not award a grant unless it makes a specific finding, as to each applicant, that the program proposed to be funded meets the criteria set forth in the state plan.
 - 4. State and local government departments and agencies are eligible for grants provided pursuant to sections 1 through 8 of this Act.

March first of each subsequent year, the committee shall announce the award of grants for the next fiscal year. Any funds appropriated for qualified tobacco prevention and dependency treatment programs not expended in the biennium must be retained in the fund and available for qualified programs in the following biennium without further legislative appropriation.

SECTION 8. Reports.

- 1. As a condition for the receipt of funds under sections 1 through 8 of this Act, a grantee shall agree to file a report with the committee, before September first, after the end of the fiscal year for which the grant was awarded, as to:
 - a. The amount received as a grant and the expenditures made with the proceeds of the grant;

1		<u>b.</u>	A des	cription of the program offered and the number of individuals who		
2			partic	ipated in the program; and		
3		<u>c.</u>	<u>Speci</u>	fic elements of the program meeting the criteria set forth in the state		
4			<u>plan.</u>			
5	<u>2.</u>	A grantee failing to timely file the report required under this section is subject to the				
6		<u>juris</u>	diction	of the state of North Dakota for repayment of the full amounts of the		
7		grants expended. The attorney general may sue for the recovery of grant funds.				
8	<u>3.</u>	The committee shall review and evaluate the reports of grantees required under				
9		this section and file a written report with the budget section of the legislative				
10		council before December fifteenth of each year on the status of the fund and the				
11		activities of the fund for the fiscal year most recently ended. The report must				
12		inclu	ude a c	opy of the annual audit, the name of each grantee, and the amount of		
13		each grant made, the criteria used to award each grant, and whether the program				
14		implemented by each grantee met the criteria. The report is public immediately				
15		<u>upo</u>	n its fili	ng.		
16	SEC	CTIOI	N 9. A	MENDMENT. Subsection 1 of section 54-27-25 of the 1999		
17	Supplement	ement to the North Dakota Century Code is amended and reenacted as follows:				
18	1.	Trar	nsfers t	o a community health trust fund to be administered by the state		
19		department of health. The state department of health may use funds as				
20		appropriated for community-based public health programs and other public health				
21		programs, including programs with emphasis on preventing or reducing tobacco				
22		usage in this state. Transfers under this subsection must equal ten percent of total				
23		annual transfers from the tobacco settlement trust fund. Of the funds appropriated				
24		to the state department of health from the community health trust fund and federa				
25		funds from the centers for disease control and prevention:				
26		<u>a.</u>	One r	nillion dollars must be used to provide state aid to local public health		
27			units.			
28		<u>b.</u>	An an	nount not to exceed four million dollars must be used to fund:		
29			<u>(1)</u>	A healthy schools grant program that provides grants to schools for		

Fifty-seventh Legislative Assembly

1		(2) A healthy communities grant program. The eligibility criteria for the
2		program must include a one hundred percent matching funds
3		requirement and must provide that grant eligibility is based upon a
4		community's effectiveness in enforcing state and local tobacco seller
5		and use laws and ordinances and reducing incidence of youth smoking
6		and other high-risk behaviors.
7	<u>C.</u>	An amount not to exceed one million dollars must be used to fund a statewide
8		tobacco countermarketing media program and to provide antitobacco
9		materials and resources to the public.
10	<u>d.</u>	The department shall use the remaining funds for public health emergencies
11		and to provide funding for the grant programs established under this
12		subsection, if necessary, based upon the anticipated timing of transfers to be
13		received from the tobacco settlement trust fund. Moneys may not be used to
14		engage in political activity or lobbying, including support of or opposition to
15		candidates, ballot questions, referenda, or similar activities.
16	SECTION	10. EMERGENCY. This Act is declared to be an emergency measure.
