Fifty-seventh Legislative Assembly of North Dakota

SENATE BILL NO. 2409

Introduced by

Senators Dever, Kilzer, Lee

Representatives Eckre, Gunter, Porter

- 1 A BILL for an Act to provide for licensure of individuals who administer human radiologic
- 2 procedures; and to provide a penalty.

3 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- 4 **SECTION 1. Definitions.** As used in this Act, unless the context otherwise requires:
- 5 1. "Board" means the radiologic technology board of examiners.
- "Ionizing radiation" means gamma rays, x-rays, alpha and beta particles,
 high-speed electrons, neutrons, protons, and other atomic or nuclear particles or
 rays. The term does not include sound or radiowaves or visible, infrared, or
- 9 ultraviolet light.

- "License" means a certificate issued by the board authorizing the licensee to use
 equipment emitting ionizing radiation on a human for any diagnostic or therapeutic
 purpose specified under this chapter.
 - "Licensed practitioner" means an individual licensed in this state to practice human medicine, dentistry, podiatry, chiropractic, optometry, or osteopathy.
 - "Nuclear medicine technologist" means an individual, other than a licensed practitioner, who uses radiopharmaceutical agents on a human for any diagnostic or therapeutic purpose.
 - "Nurse" means an advance practic registered nurse, a registered nurse, or a licensed practical nurse.
- 7. "Public member" means a resident of the state, who is proficient in educational testing and measurements and who is not a licensed practitioner, nurse, radiologic technologist, registered or qualified dental assistant, or dental hygienist.
- 23 8. "Radiation therapist" means an individual, other than a licensed practitioner, who applies ionizing radiation to a human for any therapeutic purposes.

29

31

- 1 9. "Radiographer" means an individual who practices radiography. 10. 2 "Radiography" means the application of ionizing radiation to a human for diagnostic 3 or therapeutic purposes and, as related, includes the following: 4 a. Performing procedures or examinations performed upon the order of or for 5 diagnostic interpretation by a licensed practitioner; 6 b. Performing optional patient care applying established and accepted protocols: 7 Supervising any peer or student of radiography, or both; and C. 8 d. Continuing the evaluation of responsibilities and methods with the 9 recommendations for expansion of the profession with the advances in 10 modern medical technology. 11 11. "Radiologic physicist" means an individual certified, or eligible for certification, by 12 the American board of radiology in radiological physics or a subspecialty of 13 radiologic physics. 14 12. "Radiologic technologist" means a radiographer, radiation therapist, or nuclear 15 medicine technologist, who is registered by the American registry of radiologic 16 medicine technologists, registered by the American registry of radiologic 17 technologists or board-approved equivalent or organization, and licensed under 18 this Act to practice radiography on any body organ system. 19 13. "Radiologist" means a licensed physician certified or eligible for certification by the 20 American board of radiology, American osteopathic board of radiology, British royal 21 college of radiology, or the Canadian college of physicians and surgeons. 22 14. "Registered or qualified dental assistant" means an individual, other than a 23 licensed practitioner, whose duties are restricted to radiography of the head and 24 neck region for a diagnostic purpose. 25 15. "Restricted license technician" means the holder of a restricted license issued by 26 the board, which authorizes the holder to practice limited radiography. 27 16. "Temporary license" means a certificate issued by the board authorizing the 28 licensee to use equipment emitting ionizing radiation on a human for a diagnostic
 - licensee to use equipment emitting ionizing radiation on a human for a diagnostic or therapeutic purpose. The licensee's license application or license renewal must be pending before the board and the issuance of the temporary license must be justified by special circumstances as determined by the board.

SECTION 2. Licensure - Exceptions.

- It is unlawful for a person to use ionizing radiation on a human for a diagnostic or therapeutic purpose unless that person is a licensed practitioner, nurse, licensed radiologic technologist, registered or qualified dental assistant, or restricted license technician.
- 2. An individual licensed under this Act may use a radioactive substance or equipment emitting ionizing radiation on a human only if the use is for a diagnostic or therapeutic purpose by prescription of a licensed practitioner, and only if the application of the substance or the use of the equipment is limited in a manner specified in this Act.
- The provisions of this Act relating to radiography do not limit, enlarge, or affect the
 practice of a licensed practitioner, nurse, registered or qualified dental assistant, or
 dental hygienist.
- 4. The licensure requirement of this section does not apply to the following individuals:
 - a. A student enrolled in and attending a school or college of medicine, nursing, osteopathy, podiatry, dentistry, dental hygiene, dental assistant, chiropractic, optometry, or radiologic technology who as a student applies ionizing radiation to a human under the specific direction of an individual licensed to prescribe ionizing radiation.
 - An individual licensed, registered, or classified as qualified by the state board of dental examiners who is administering an x-ray service related to the practice of dentistry.

SECTION 3. Board - Members - Term of office - Vacancies - Officers. The board consists of eight members appointed by the governor for terms of three years except that of the initial appointees, three must serve three-year terms, three must serve two-year terms, and two must serve one-year terms. The terms of initial board members begin on August 1, 2001. Each board member must be a resident of the state, must take the oath of office required of civil officers, and shall remain in office until a successor is appointed and qualified. In the case of a vacancy, the governor shall appoint a member to fill the position for the remainder of the unexpired term. Three board members must be radiologic technologists, one board member

- 1 must be a licensed practitioner, one board member must be a radiologic physicist, one board
- 2 member must be a radiologist, one board member must be a chiropractor, and one board
- 3 member must be a public member. The initial board members who are radiologic technologists
- 4 are not required to be licensed, but each must have practiced as a radiologic technologist for at
- 5 least three years.
- 6 SECTION 4. Board Compensation Expenses Meetings Duties. Each board
- 7 member serves without compensation but is entitled to receive mileage and travel expenses at
- 8 the same rate as state employees. Expenses incurred under this Act may not be charged
- 9 against the funds of the state. Funds administered by the board do not revert to the general
- 10 fund of the state. The board shall meet at least once every six months. The board shall adopt
- 11 rules for licensing, imposing discipline, handling appeals, and for otherwise implementing this
- 12 Act.
- 13 **SECTION 5.** Board Officers. The board shall elect a president and appoint a
- 14 secretary-treasurer. The secretary-treasurer may not be a member of the board. The
- 15 secretary-treasurer may be paid an annual salary and must be bonded for the faithful discharge
- 16 of the secretary-treasurer's duties in the sum of one thousand dollars.
- 17 **SECTION 6.** Restricted licenses. The board shall issue a restricted license to an
- 18 applicant who:
- 1. Pays a nonrefundable application fee;
- 20 2. Is at least eighteen years of age at the time of application;
- 21 3. Possesses a high school diploma or a general education equivalency certificate;
- 22 and
- Passes the restricted license exam.
- 24 **SECTION 7. Radiologic technologist license.** The board shall issue a radiologic
- 25 technologist license to:
- 1. An applicant who as of August 1, 2001, has practiced as a radiographer for a
- 27 period of at least six months.
- 28 2. An applicant who:
- 29 a. Pays a nonrefundable application fee;
- 30 b. Is at least eighteen years of age at the time of application;

31

1 Possesses a high school diploma or a general education equivalency C. 2 certificate; 3 d. Satisfactorily completes a board-approved course of study in radiology, 4 radiation therapy, nuclear medicine, or an equivalent as determined by the 5 board; and 6 Possesses an active certificate by the American registry of radiologic 7 technologists or by another recognized national voluntary credentialing body, 8 issued on the basis of an examination satisfactory to the board. 9 **SECTION 8. Temporary licenses.** The board may issue a temporary license to any 10 individual whose license application or license renewal is pending if issuance of the temporary 11 license is justified by special circumstances. A temporary license may be issued only if issuing 12 the temporary license will not endanger the public health and safety. A temporary license may not be issued for a period of longer than one hundred eighty days. 13 14 SECTION 9. License display - License renewal - Continuing education 15 requirements. Every holder of a license under this Act shall display the official license 16 certificate or a verified copy in each place of employment. A restricted license and a radiologic 17 technologist license must be renewed every two years. The board shall renew a restricted 18 license or a radiologic technologist license upon receipt of payment of a renewal fee and of 19 proof of successful completion of twenty-four board-approved continuing education units. 20 **SECTION 10. Discipline.** The board may suspend, refuse to renew, or revoke a 21 license issued under this chapter or reprimand any licensee who is guilty of any of the following: 22 1. The practice of fraud or deceit in obtaining a license under this Act. 23 2. Any gross negligence, incompetence, or misconduct in the use of ionizing 24 radiation. 25 Any offense determined by the board to have a direct bearing upon a licensee's 26 ability to perform professional duties, or the board determines, following conviction 27 of any offense, that a licensee is not sufficiently rehabilitated under section 28 12.1-33-02.1. 29 Violation of any code of ethics adopted by the board. 30 SECTION 11. Prohibited acts - Penalty. A person may not knowingly employ as a

radiographer any person who does not meet the licensing requirements of this Act. Violation of

Fifty-seventh Legislative Assembly

- 1 this Act is a class A misdemeanor. In addition to the criminal penalty, the civil remedy of
- 2 injunction is available to restrain and enjoin any violation of this Act without proof of actual
- 3 damages sustained by any person.
