- 5 2. Give the name and brand of each product registered.
- 6 3. Be accompanied by a current label of each product so registered.
- 7 4. Be accompanied by a registration fee of three hundred dollars for each product
8 registered. At the close of each calendar month, the commissioner shall transmit
9 to the state treasurer all moneys received for the registrations. The state treasurer
10 shall credit fifty dollars for each registered product to the general fund in the state
11 treasury and the remainder of the registration fee for each registered product to the
12 environment and rangeland protection fund.
- 13 5. Be accompanied by a material safety data sheet.

14 The commissioner may require an applicant or registrant to provide efficacy, toxicity,
15 residue, and any other data necessary to determine if the pesticide will perform its intended
16 function without unreasonable adverse effects on the environment. If the commissioner finds
17 that the application conforms to law, the commissioner shall issue to the applicant a certificate
18 of registration of the product. If after public hearing before the commissioner the application is
19 denied, the product may not be offered for sale.

20 Each registration covers a two-year period beginning January first and expiring
21 December thirty-first of the following year. A certificate of registration may not be issued for a
22 term longer than two years, and is not transferable from one person to another, or from the
23 ownership to whom issued to another ownership, or from one place to another place or
24 location. A penalty of fifty percent of the license or registration fee must be imposed if the
25 license or certificate of registration is not applied for on or before January thirty-first following
26 the expiration date, or within the same month the pesticides are first manufactured or sold
27 within this state. Each product must go through a two-year discontinuance period in order to
28 clear all outstanding products in the channel of trade.

29 This section does not apply to a pesticide sold by a retail dealer if the registration fee
30 has been paid by the manufacturer, jobber, or any other person, as required by this section.
