11 **SECTION 2.** A new section to chapter 39-22 of the North Dakota Century Code is  
12 created and enacted as follows:

13 **Motor vehicle dealer license - Fees - Penalty.** It is unlawful for any person to engage  
14 in the business of buying, selling, or exchanging of motor vehicles without possessing a current  
15 motor vehicle dealer license. A person may not advertise or otherwise hold out to the public as  
16 engaging in the buying, selling, or exchanging of motor vehicles for resale without possession  
17 of a current new motor vehicle dealer license or used motor vehicle dealer license. The motor  
18 vehicle dealer license fee is one hundred dollars per year and with which must be issued one  
19 dealer plate. A nonrefundable fee of one hundred dollars must be charged for the initial

21 new or used motor vehicle dealer license. The applicant shall provide the business's federal  
22 employer identification number or, in the case of an application from an individual, social  
23 security number. Any person violating a provision of this section must be assessed a one  
24 hundred dollar fee by the department for a first violation and a two hundred dollar fee by the  
25 department for a second violation within two years of the first violation. The department must  
26 suspend the license of a motor vehicle dealer licensed under to this chapter if a third or  
27 subsequent violation of this section occurs within five years of the first violation.

28 **SECTION 3.** A new section to chapter 39-22 of the North Dakota Century Code is  
29 created and enacted as follows:

30 **Established place of business - Penalty.** A dealer license may not be issued until the  
31 applicant furnishes proof satisfactory to the director that the applicant has, does, and will

1 continue to maintain in North Dakota an established place of business adjacent to the primary  
2 motor vehicle display lot maintained by the dealer. An established place of business means a  
3 permanent enclosed building of at least two hundred fifty square feet [23.22 square meters]  
4 either owned, rented, or leased at which a permanent business of bartering, trading, and selling  
5 of motor vehicles will be conducted and does not mean a residence, tents, temporary stands, or  
6 other temporary quarters. The established place of business and primary motor vehicle display  
7 lot must cover at least two thousand five hundred square feet [232.26 square meters] and be  
8 located on property zoned or otherwise approved for this purpose by the appropriate zoning  
9 authority. The established place of business must be adequately heated and lighted so as to  
10 be comfortable for customers and employees and be equipped with standard office equipment  
11 necessary for the conduct of the business. All records related to the business, including titles  
12 or other documents showing ownership of the vehicles, must be kept and maintained at the  
13 established place of business. An established place of business must have a telephone  
14 publicly listed in the name of the dealership, be open to the public during normal business  
15 hours, and have a sign identifying the business to the public as a motor vehicle dealership.  
16 The sign must be at least thirty-two square feet [2.97 square meters] in size, contain the name  
17 of the dealership in letters at least ten inches [25.4 centimeters] high, and be clearly visible  
18 from the street. A business sign approved by a motor vehicle manufacturer may be used in lieu  
19 of the sign requirements of this section. If the licensee desires to move from the established  
20 place of business occupied when the license was granted to a new location, the licensee shall  
21 first secure from the director permission to do so. The licensee must furnish proof satisfactory  
22 to the director that the premises to which the licensee proposes to move conform with the  
23 requirements of this section. Any person violating this section must be assessed a one  
24 hundred dollar fee by the department for a first violation and a two hundred dollar fee by the  
25 department for a second violation within two years of the first violation. The department shall  
26 suspend the license of a motor vehicle dealer licensed under this chapter if a third or  
27 subsequent violation of this section occurs within five years of the first violation.

28 **SECTION 4.** A new section to chapter 39-22 of the North Dakota Century Code is  
29 created and enacted as follows:

30 **Application for new motor vehicle dealer license - Franchise required - Selling**

1 dealer license, the applicant shall furnish proof satisfactory to the director that the applicant has  
2 a bona fide contract or franchise in effect with a manufacturer or distributor of the new motor  
3 vehicle or motor vehicles in which the dealer proposes to deal. A new motor vehicle dealer  
4 license entitles the holder to deal in both used motor vehicles and in those new motor vehicles  
5 only for which the dealer has a bona fide contract or franchise in effect with a manufacturer or  
6 distributor. A used motor vehicle dealer license entitles the holder to deal in used motor  
7 vehicles only.

8 New motor vehicle dealers who have been issued surrounding communities as a part of  
9 their dealer area of responsibility may be issued additional new motor vehicle dealer licenses if  
10 the manufacturer provides the department written approval of additional sites for display and  
11 sale of motor vehicles. Applicants for additional new car dealer licenses must meet all of the  
12 requirements of this chapter.

13 Whenever a motor vehicle dealer purchases or holds for sale a new motor vehicle for  
14 which the dealer does not have a bona fide contract or franchise in effect with a manufacturer  
15 or distributor, the new motor vehicle becomes, at the time of purchase or possession, subject to  
16 the registration provisions of chapter 39-04, the title registration provisions of chapter 39-05,  
17 and the motor vehicle excise tax provisions of chapter 57-40.3. Any person violating this  
18 section must be assessed a two hundred fifty dollar fee by the department for a first violation  
19 and a five hundred dollar fee by the department for a second violation within two years of the  
20 first violation. The department must suspend the license of a motor vehicle dealer licensed

29 vehicles. Dealer plates may not be used on service vehicles or vehicles used in other functions  
30 of the business, sold units in the possession of the purchaser, by family members not residing  
31 at the dealer's residence, or by other persons not directly involved in the operation of the

1 dealership. The director may issue to any dealer an in-transit license plate for a fee of five  
2 dollars per plate and a demonstration plate for a fee of five dollars per plate. A dealer in-transit  
3 plate may be used on vehicles in lieu of dealer's plates while a motor vehicle is in transit from  
4 its place of manufacture, or any other place, to the dealer or in transit from the dealer, by a  
5 direct route, to another destination. A dealer demonstration plate may be used only on a  
6 vehicle which is owned by the dealership and being demonstrated to a customer. A dealer  
7 demonstration plate is valid for use only within a radius of one hundred miles [160.93  
8 kilometers] of the dealer's established place of business. Any dealer plate, in-transit plate, or  
9 demonstration plate displayed on a vehicle must be displayed on the rear of the vehicle. Any  
10 person violating this section must be assessed a one hundred dollar fee by the department for  
11 a first violation and a two hundred dollar fee by the department for a second violation within two  
12 years of the first violation. The department shall suspend the license of a motor vehicle dealer  
13 licensed under to this chapter if a third or subsequent violation of this section occurs within five  
14 years of the first violation.

16 created and enacted as follows:

20 the dealer license and dealer plate fees required by this chapter. The department shall not  
21 renew the dealer license of any applicant who has made less than four retail motor vehicle  
22 sales during the previous year. The department may adopt administrative rules to limit the  
23 number of dealer plates available to an applicant based on the applicant's motor vehicle sales  
24 history.

25       **SECTION 7.** A new section to chapter 39-22 of the North Dakota Century Code is  
26 created and enacted as follows:

28 dealer license, the applicant must provide proof to the department of a continuous policy of  
29 garage liability insurance. The insurance company that issued the policy must notify the

31 dealer who fails to maintain the insurance coverage required by this section shall return the

dealer license and dealer number plates to the department on or before the effective date of the cancellation, suspension, or revocation. Failure to return the dealer license or dealer number plates results in automatic revocation by operation of law. The department may order the superintendent to take possession of any dealer license or dealer number plates not returned to the department as required in this section. The department shall reinstate the dealer license and dealer number plates only when proof of insurance coverage is received.

Any person violating this section must be assessed a one hundred dollar fee by the department for a first violation and a two hundred dollar fee by the department for a second violation within two years of the first violation.
