16 **SECTION 2. AMENDMENT.** Section 39-06-20 of the North Dakota Century Code is
17 amended and reenacted as follows:

18 **39-06-20. Notice of change of address or name.** Whenever a person after applying
19 for or receiving an operator's license or permit moves from the address named in the
20 application or in the license or permit issued to that person or when the name of a licensee is
21 changed by marriage or otherwise, that person shall within ten days thereafter notify the
22 director in writing or in person of that person's old and new addresses or of such former and
23 new names and of the number of any license or permit then held by that person. A person may
24 obtain a corrected license or permit by making application as provided for in section 39-06-18.

1 In the event of a name change, a corrected license must be obtained. The department may
2 change the address based on information received from any authorized address correction
3 service of the United States postal service. The department may also develop procedures for
4 receiving notification of address changes by telephone or electronic means.

5 **SECTION 3. AMENDMENT.** Subsection 6 of section 39-06-32 of the 1999
6 Supplement to the North Dakota Century Code is amended and reenacted as follows:

13 director shall record the suspension separately on the driving record. This
14 separate record is not available to the public.

15 **SECTION 4. AMENDMENT.** Subsection 1 of section 39-06-33 of the North Dakota
16 Century Code is amended and reenacted as follows:

- 17 1. In matters of driver's license suspension or revocation arising under sections
18 39-06-32 and 39-06.1-10, and chapters 39-16 and 39-16.1, the director shall give
19 notice of intention to suspend to the licensee by mailing the notice to the licensee
20 at the address of record in the department under section 39-06-20. Actual notice
21 of the opportunity for a hearing under this section must be deemed to have
22 occurred seventy-two hours after the notice is mailed by regular mail. The

27 Dakota Century Code is amended and reenacted as follows:

28 **39-06-35. Period of suspension.** When the period of suspension imposed under this
29 title ceases, the operator's license or driving privilege that has been suspended may not be
30 returned or reinstated, and remains under suspension, until the operator pays to the director a
31 reinstatement fee of fifty dollars, or twenty-five dollars if the suspension was the result of a

suspension under subsection 4, 5, or 7 of section 39-06-03 or subsection 2 of section 39-06-32,
or one hundred dollars if the suspension was the result of a violation under section 39-08-01 or
chapter 39-20, and, if applicable, until compliance with subsection 3.1 of section 39-06.1-10.

Upon payment of the reinstatement fee the license must be returned to the operator. A
reinstatement fee is not required for a license to be returned to the operator if the return of the
license is due to the findings of a hearing, reexamination of hearing, or court or judicial review
under chapter 39-06, 39-06.1, or 39-20.

SECTION 6. AMENDMENT. Section 39-06.1-04 of the North Dakota Century Code is

ten days after the date set for the hearing. Failure to appear at the time designated, after
signing a promise to appear, if signing is required by law, or failure to appear without paying the
statutory fee or posting and forfeiting bond is a class B misdemeanor. Failure to appear without
just cause at the hearing must also be deemed an admission of commission of the violation
charged.

SECTION 7. AMENDMENT. Subsection 2 of section 39-06.1-13 of the North Dakota
Century Code is amended and reenacted as follows:

2. The point total shown on a licensee's driving record must, during any twelve-month
period, be reduced by three points when the licensee mails or delivers a certificate
to the licensing authority indicating successful completion of instruction in a driver
training course approved by the licensing authority. Successful completion of
instruction must be certified to by the sponsoring agency or organization of the
driver training course. The reduction in points authorized by this subsection must
only be from a point total accumulated prior to completion of the necessary hours
of driver training instruction, and may not exceed nine points during any three-year
period commencing on the date of entry of the last points against the person's
driving record. If on the date the licensing authority receives the certificate of
completion of the driver training course from the licensee, that licensee's driving

record contains twelve or more points or, as a minor, the licensee's driving record contains six points or more, the point reduction authorized by this subsection must be applied only after the period of suspension or cancellation required by the number of points then on the driver's record has been served.
