2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

SB2276, first engrossment with House amendments, provides that SB2003 includes \$135,000 from the state general fund for the dentists' loan repayment program. Currently, Engrossed SB2003 does **not** provide increased or earmarked funding for this program. If this bill passes with the House amendments, and if no additional funds are added to SB2003, funds would have to be reallocated within the higher education budget to support this program. This would likely result in a reduction in other student grant appropriations in SB2003 for the State Grant Program, Scholar's Program, Professional Student Exchange Program for veterinary medicine, optometry and dentistry and the Indian Scholarship Program.
