SECTION 1. AMENDMENT. Subsections 1 and 2 of Joint Rule 603 are amended as follows:

1. ~~Five~~ Three hundred ~~fifty~~ copies of each bill and resolution must be printed. After the initial order is printed, the supervisor of the bill and journal room may order additional copies to be printed to meet demand.
2. ~~One~~ Two hundred copies of each bill and resolution engrossed under Senate Rule 335 and House Rule 335 must be printed on request of the Secretary of the Senate or Chief Clerk of the House. After the initial order is printed, the supervisor of the bill and journal room may order additional copies to be printed to meet demand.

NOTE: This rules amendment is in response to a suggestion by the Bill and Journal Room employees during the 2001 legislative session. The suggestion was that for the 2003 legislative session 300 to 350 copies of the bills as introduced and 150 to 200 copies of the bills as engrossed be printed. This proposed change is included in the proposed contract specifications for printing bills, resolutions, and journals for the 2003 legislative session. The discussion concerning this suggestion is contained in the minutes of the June 26, 2001, meeting of the Legislative Management Committee.
