The cancellation provisions contained in the standard policy are superseded to the extent sections 26.1-39-10 through 26.1-39-21 are inconsistent with the provisions. Appropriate forms of contracts, supplemental contracts, or endorsements, whereby the interest in the property described is insured against one or more of the perils which the insurer is empowered to assume, may be used in connection with the standard policy. Provided, however, that a five-day grace period is allowed after the execution of any written instrument transferring interest in insured property during which full protection must be granted under the terms of the policy.
8. In case of other coverage on the same peril, the liability of each insurer may not be for any greater amount or proportion of the loss than the

ratio such insurance bears to the valid and collectible whole insurance covering the property against the peril involved.

9. No contract or policy issued under this section may contain a limitation of less than three years for the bringing of any suit or action under the contract or policy.

2. The lawful occupation or profession of the applicant or named insured, except that this provision does not apply to an insurer that limits its market to one lawful occupation or profession or to several related lawful occupations or professions.
3. The age or location of the residence of the applicant or named insured unless the decision is for a business purpose that is not a mere pretext for unfair discrimination.

 - a. Production payments or interests therein payable from oil, gas, other hydrocarbons, or other minerals in producing properties located in areas of established and continuing production within the United States or the adjacent continental shelf areas, which production payments are dischargeable from property interests appraised by independent petroleum engineers at the time of the acquisition or loan, based on current market prices, to have a current market value of at least one hundred fifty percent of the purchase price of, or the amount loaned upon the security of, such production payments. The term "production payments" means rights to oil, gas, other hydrocarbons, or other minerals in place or as produced which entitle the owner thereof to a specified fraction or percentage of production or the proceeds thereof, until a specified or determinable sum of money has been received, and which have investment qualities and characteristics in which the speculative elements are not predominant.
 - b. Royalty interests, overriding royalty interests, net profit interests, leasehold interests, working interests, or other interests or rights in oil, gas, other hydrocarbons, or other minerals in place or as produced, which interests or rights may be subject to production payments of the nature described in subdivision a.

No domestic insurance company may invest more than five percent of its admitted assets in the ownership of such interests or rights. In determining the amount invested in such interests or rights at any given time, each insurance company may evaluate such interests or rights in such manner as will permit it to amortize the interests or rights over a period of time during which not more than seventy-five percent of the dollar value of the recoverable production accruing to such interests or rights will be produced, as determined by independent petroleum engineers at the time of investment.

31. Obligations secured by a pledge of personal property, as follows:
 - a. Tangible personal property, or equipment trust certificates or other instruments evidencing an interest in or debt secured by tangible personal property, if there is a right to receive determined portions of rental, purchase, or other fixed obligatory payments for the use or purchase of such tangible personal property.
 - b. Bonds, notes, or other evidences of indebtedness secured wholly or partially by tangible personal property, provided that at the date of acquisition the amount of such indebtedness does not exceed sixty-six and two-thirds percent of the value of such tangible personal property.

The aggregate outstanding investment made under subdivisions a and b may not exceed five percent of the admitted assets of the life insurance company.

32. Loans, securities, or investments issued by a small business investment company created by the Myron G. Nelson Fund, Incorporated, and licensed by the small business administration under the Small Business Investment Company Act of 1958 [Pub. L. 85-699; 72 Stat. 689; 15 U.S.C. 661 et seq.] or the Small Business Equity Enhancement Act of 1992 [Pub. L. 102-366; 106 Stat. 1007-1020; 15 U.S.C. 661 et seq.].
33. Loans, securities, or investments in addition to those permitted in this section, whether or not the loans, securities, or investments qualify or are permitted as legal investments under its charter, or under other provisions of this section or under other provisions of the laws of this state. The aggregate admitted value of the company's investments under this section may not at any one time exceed either seven percent of the company's admitted assets, or the amount equal to the company's capital and surplus in excess of the minimum capital and surplus required by law, whichever is less.
34. Loans, securities, or investments in a North Dakota low-risk incentive fund organized under chapter 26.1-50. The aggregate admitted value of the company's investment under this subsection may not at anytime exceed the lesser of five percent of the company's admitted assets or the amount equal to the company's capital and surplus in excess of the minimum capital and surplus required by law. A company making an investment under this subsection may value at par any investment purchased at par.
35. Foreign investments of substantially the same types as those permitted under subsections 20 and 21, subject to the following restrictions and limitations:
 - a. Foreign investments issued, assumed, guaranteed, or insured by a single person may not exceed three percent of the insurance company's admitted assets.
 - b. Foreign investments in a single foreign jurisdiction may not exceed in the aggregate ten percent of the insurance company's admitted assets as to a foreign jurisdiction that has a sovereign debt rating of one as determined by the securities valuation office of the national association of insurance commissioners or three percent of the insurance company's admitted assets as to any other foreign jurisdiction.
 - c. Foreign investments may not exceed in the aggregate twenty percent of the insurance company's admitted assets.

Investments acquired under this subsection shall be aggregated with investments of the same type made under subsection 21 for purposes of determining compliance with the limitations contained in that subsection. For purposes of this subsection, a foreign investment means an investment in a foreign jurisdiction or an investment in a legal entity domiciled in a foreign jurisdiction. A foreign jurisdiction is any jurisdiction other than the United States, any state or possession of the

United States, the Dominion of Canada, or any province of the Dominion of Canada.

The commissioner may adopt rules as to investments which are permissible for any domestic insurance company which may waive or increase any limitation on investments or authorize companies to invest their funds in investments which are not specifically mentioned in statutes relating to investments if the commissioner finds, after notice and hearing, that such funds would be well invested and available for the payment of losses. The commissioner, in adopting such rules, may not be any more restrictive, or place any greater limitations on, any type of investment in which companies are authorized by statute to invest their funds.

This section does not prohibit a company from taking any action deemed necessary or expedient for the protection of investments made by it or from accepting in good faith, to protect its interests, securities, or property not mentioned in this section in payment or to secure debts due to it.

balance of the trust and listing the trust's investments at the preceding yearend and shall certify the date of termination of the trust, if so planned, or certify that the trust will not expire prior to the next following December thirty-first.

5. Credit must be allowed when the reinsurance is ceded to an assuming insurer not meeting the requirements of subsection 1, 2, 3, or 4 but only with respect to the insurance of risks located in jurisdictions where the reinsurance is required by applicable law or regulation of that jurisdiction.
6. If the assuming insurer is not licensed or accredited to transact insurance or reinsurance in this state, the credit permitted by subsections 3 and 4 may not be allowed unless the assuming insurer agrees in the reinsurance agreements:
 - a. In the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, will comply with all requirements necessary to give such court jurisdiction, and will abide by the final decision of such court or of any appellate court in the event of an appeal; and
 - b. To designate the commissioner or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding company.

This provision is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if such an obligation is created in the agreement.

26.1-33.2-08. General rules.

- 1. a. A viatical settlement provider entering into a viatical settlement contract must first obtain:
 - (1) If the viator is the insured, a written statement from a licensed attending physician that the viator is of sound mind and under no constraint or undue influence to enter into a viatical settlement contract;
 - (2) A witnessed document in which the viator consents to the viatical settlement contract, represents that the viator has a full and complete understanding of the viatical settlement contract, that the viator has a full and complete understanding of the benefits of the life insurance policy, acknowledges that the viator has entered into the viatical settlement contract freely and voluntarily, and, if applicable for the purposes of determining payments for persons who are terminally or chronically ill, acknowledges that the insured is terminally ill or is chronically ill and that the terminal or chronic illness or condition was diagnosed after the life insurance policy was issued; and
 - (3) A document in which the insured consents to the release of the insured's medical records to a viatical settlement provider, viatical settlement broker, and the insurance

company that issued the life insurance policy covering the life of the insured.

- b. Within twenty days after a viator executes documents necessary to transfer any rights under an insurance policy or within twenty days of entering any agreement, option, promise, or any other form of understanding, expressed or implied, to viaticate the policy, the viatical settlement provider must give written notice to the insurer that issued that insurance policy that the policy has or will become a viaticated policy. The notice must be accompanied by the documents required by subdivision c in their entirety.
 - c. The viatical provider must deliver a copy of the medical release required under paragraph 3 of subdivision a and a copy of the viator's application for the viatical settlement contract to the insurer that issued the life insurance policy that is the subject of the viatical transaction along with the notice required under subdivision b.

If the insured dies during the rescission period, the viatical settlement contract shall be deemed to have been rescinded, subject to repayment to the viatical settlement provider of all viatical settlement proceeds, and any premiums, loans, and loan interest that have been paid by the viatical settlement provider.
4. The viatical settlement provider must instruct the viator to send the executed documents required to effect the change in ownership, assignment, or change in beneficiary directly to the independent escrow agent. Within three business days after the date the escrow agent receives the document or from the date the viatical settlement provider receives the documents, if the viator erroneously provides the documents directly to the provider, the escrow agent shall pay or transfer the proceeds of the viatical settlement into an escrow or trust account maintained in a state or federally chartered financial institution whose deposits are insured by the federal deposit insurance corporation. Upon payment of the settlement proceeds into the escrow account, the escrow agent shall deliver the original change in ownership, assignment, or change in beneficiary forms to the viatical settlement provider. Upon the licensed provider's receipt of the acknowledgement of the transfer of ownership, assignment, or designation of beneficiary from the insurance company, the licensed provider shall instruct the escrow agent to pay the settlement proceeds to the viator. Payment must be made within three business days of the date the provider received the acknowledge forms from the insurance company.
5. Failure to tender consideration to the viator for the viatical settlement contract within the time disclosed pursuant to subdivision f of subsection 1 of section 26.1-33.2-07 renders the viatical settlement

contract voidable by the viator for lack of consideration until the time consideration is tendered to and accepted by the viator.

6. Contacts with the insured for the purpose of determining the health status of the insured by the viatical settlement provider or viatical settlement broker after the viatical settlement has occurred must only be made by the viatical settlement provider or broker licensed in this state or its authorized representatives and is limited to once every three months for insureds with a life expectancy of more than one year and to no more than once per month for insureds with a life expectancy of one year or less. 7. Every viatical settlement licensee shall establish and at all times maintain a system of control over the content, form, and method of dissemination of all advertisements of its contracts, products, and services. All advertisements are the responsibility of the viatical settlement licensee, as well as the individual who created or presented the advertisement. Advertisements must be truthful and not misleading in fact or by implication.

26.1-33.2-09. Prohibited practices. It is a violation of this chapter for any person to enter into a viatical settlement contract within a two-year period commencing with the date of issuance of the insurance policy or certificate unless the viator certifies to the viatical settlement provider that one or more of the following conditions have been met within the two-year period:

1. The policy was issued upon the viator's exercise of conversion rights arising out of a group or individual policy, if the total of the time covered under the conversion policy plus the time covered under the prior policy is at least twenty-four months. The time covered under a group policy must be calculated without regard to any change in insurance carriers, if the coverage has been continuous and under the same group sponsorship.
2. The owner of the policy is a charitable organization exempt from taxation under 26 U.S.C. 501(c)(3).
3. The owner of the policy is not a natural person, such as a corporation, limited liability company, or partnership.
4. a. The viator or owner submits independent evidence to the viatical settlement provider that one or more of the following conditions have been met within the two-year period:

 - (7) A final order, judgment, or decree is entered by a court of competent jurisdiction, on the application of a creditor of the owner or insured, adjudicating the owner or insured bankrupt or insolvent, or approving a petition seeking reorganization of the owner or insured or appointing a receiver, trustee, or liquidator to all or a substantial part of the owner's or insured's assets; or
 - (8) The owner of the policy experiences a significant decrease in income that is unexpected by the owner and that impairs the owner's reasonable ability to pay the policy premium.
- b. The independent evidence must be submitted to the insurer when the viatical settlement provider submits a request to the insurer to effect transfer of policy or certificate to the viatical settlement provider. The insurer shall respond to the request in a timely manner. Nothing in this section prohibits an insurer from exercising its right to contest the validity of any policy on the grounds of fraud.
- 5. If the viatical settlement provider submits to the insurer a copy of the owner's or insured's certification described in subsection 4 when the viatical settlement provider submits a request to the insurer to effect the transfer of the policy or certificate to the viatical settlement provider, the copy must be deemed to conclusively establish that the viatical settlement contract is valid and enforceable and the insurer shall timely respond to the request.

A person may not knowingly or intentionally interfere with the enforcement of the provisions of this chapter or investigations of suspected or actual violations of this chapter. 5. The documents and evidence provided pursuant to subsection 4 or obtained by the commissioner in an investigation of suspected or actual fraudulent viatical settlement acts are confidential and are not subject to discovery or subpoena in a civil or criminal action.
6. Viatical settlement providers and viatical settlement brokers shall submit to the commissioner an antifraud plan that must reasonably detect, prosecute, and prevent fraudulent viatical settlement acts. Antifraud plans must include at least:

The commissioner's order may require a person found to be in violation of this chapter to make restitution to persons aggrieved by violations of this chapter.

26.1-33.2-12. Unfair trade practices. A violation of this chapter is an unfair trade practice under chapter 26.1-04 subject to the penalties contained in that chapter.
