1. The state board of agricultural research and education may use up to ten percent of the proceeds of the agricultural research fund, not to exceed fifty thousand dollars, for administrative expenses and annually shall apportion the remaining proceeds of the agricultural research fund as follows:
 - a. Seventy percent to research activities affecting North Dakota agricultural commodities that account for at least two percent of the gross sales of all agricultural commodities grown or produced in the state. The percentage of the dollars available for each agricultural commodity under this section may not exceed the percentage that the gross sales of the agricultural commodity bear to the North Dakota gross sales of all agricultural commodities grown or produced during the previous year, as determined by the agricultural statistics service;
 - b. Eighteen percent to research activities affecting North Dakota animal agriculture; and

- c. Twelve percent to research activities affecting new and emerging crops in North Dakota.
2. The state board of agricultural research and education shall solicit proposals for research from the public and private sectors and shall appoint committees to review the proposals and award the agricultural research grants on a competitive basis. Each committee must consist of a majority of agricultural producers selected in consultation with the agricultural commodity groups representing commodities that are the subjects of the proposed research and may include researchers and other individuals knowledgeable about the proposed area of research. Whenever possible, the committees shall require that a grant recipient commit matching funds.
3. The state board of agricultural research and education shall develop policies regarding the award of research grants, including requirements for matching funds, cooperation with other in-state and out-of-state researchers, and coordination with other in-state and out-of-state proposed or ongoing research projects.

SECTION 16. TRANSFER AUTHORITY. Upon approval from the state board of agricultural research and education, the director of the North Dakota agricultural experiment station may transfer appropriation authority within subdivisions 1, 4, and 5 of section 1 of this Act of up to \$90,000 of estimated income for beef quality assurance and up to \$60,000 of estimated income for applied research initiatives, for the biennium beginning July 1, 2001, and ending June 30, 2003."

Senate Bill No. 2021 - Other Changes - House Action

The State Board of Higher Education is removed from the transfer authority approval process in Section 3.

Section 6 provides intent for the establishment of a modern feedmill and feedlot at the Carrington Research Extension Center.

Section 7 provides intent that \$288,000 be allocated from the Main Research Center for developing western North Dakota malt barleys.

Section 8 provides intent that at least \$445,000 be allocated for the beefline initiative.

Section 9 provides intent that at least \$228,000 be allocated for the development of new feed barley varieties.

This amendment amends Section 12 to reinstate the president of North Dakota State University, the administrator of the Agricultural Experiment Station, and the director of the North Dakota State University Extension Service as voting members of the State Board of Agricultural Research and Education.

Section 13 changes the per diem of the members of the State Board of Agricultural Research and Education from \$62.50 to \$75.00.

The duties of the State Board of Agricultural Research and Education are redefined in Section 14 to include a status report to the Budget Section.

The administrative expenses of the State Board of Agricultural Research and Education are limited to 10 percent of the proceeds of the agricultural research fund, not to exceed \$50,000.

Transfer authority among the Extension Service, Main Research Center, and research centers of up to \$150,000 is authorized in Section 16 for funding of beef quality assurance (\$90,000) and applied research initiatives (\$60,000).
