One-twelfth of the annual fee must be credited for each month of the registration period remaining after the month in which the transfer is made. The credit may not extend beyond the original expiration of the registration. Except as provided in section 39-04-44, the credit must be applied to the registration fees for a replacement vehicle. The transferor shall apply for the transfer of registration within thirty days of the purchase of the replacement vehicle.
    - 3. Except as otherwise permitted in this chapter, before the transferee of a registered vehicle may operate the vehicle on a highway, the transferee must apply for and

obtain a new registration of the vehicle, as on an original registration. To provide the transferee adequate time to obtain a new registration, the director may provide for the issuance of a temporary registration certificate to permit the transferee to operate the vehicle for thirty days after the date of acquisition. The certificate must be available to the transferee from licensed vehicle dealers, law enforcement agencies, and motor vehicle branch offices. The vehicle may be operated for five days from date of purchase without a plate or certificate of ownership if dated evidence of ownership is carried in the vehicle. The evidence of ownership must be in a form as prescribed by the department.
