- 1 A BILL for an Act to create and enact a new section to chapter 24-01 of the North Dakota
2 Century Code, relating to the designation of certain roadways as in the state highway system.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1.** A new section to chapter 24-01 of the North Dakota Century Code is
5 created and enacted as follows:

6 **Certain roadways in state highway system.** Notwithstanding section 24-01-01.2 or
7 24-01-02, the director of the department of transportation shall designate as constituting a
8 portion of the state highway system approximately eighteen miles of roadway running generally
9 in a north-south course between two cities of a population on the south end of approximately
10 one thousand fifty-two people and on the north end of a population of approximately one
11 hundred ninety-one people, as determined by 1990 census information. The city on the south
12 end must be a county seat. In addition, the director shall designate as constituting a portion of
13 the state highway system approximately nine miles of roadway running from a border of this
14 state four miles north, three miles east to a city with the population of approximately thirty
15 people as determined by the 1990 census, and from that city two miles north to a highway on
16 the state highway system which connects to the previously mentioned eighteen-mile roadway.
