<sup>1</sup> This amendment reduces, from \$24,268 to \$7,176, the amount provided for a market equity salary increase for the State Tax Commissioner. The amount included in the bill will provide for a monthly increase of \$341 per month for the last 18 months of the biennium.

<sup>2</sup> Removes funding for the general membership and the nexus program portion of the Multistate Tax Commission fees from operating expenses.

<sup>3</sup> Funding is added for costs associated with membership in the Multistate Tax Commission, including membership in the audit program. A section is added providing for a Multistate Tax Commission fund consisting of collections of up to \$316,000 from the Multistate Tax Commission. The State Tax Commissioner is authorized to spend up to \$316,000 from the Multistate Tax Commission fund, and any remaining balance is transferred to the general fund. Representations of the Tax Department indicate that membership in this commission will result in additional revenues of \$316,000 for deposit in the Multistate Tax Commission fund for the 2001-03 biennium in excess of the amount included in the executive budget recommendation.

<sup>4</sup> Restores an auditor II position but provides no funding.
