Counties	Cities	School Districts	Counties	Cities	School Districts	Counties	Cities	School Districts

**2. Narrative:** Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.

This bill will increase our special revenue while reducing the general fund appropriation by the same amount. As presently we do not use the disability income in figuring resident room rent.

**3. State fiscal effect detail:** For information shown under state fiscal effect in 1A, please:

**A. Revenues:** Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.

The bill will generate more special funds to the home. presently we have about 6 residents that the amount of the VA disability income is not figured in the rent.

We have estimated from our records to be about \$30,000. for the next biennium.

**B. Expenditures:** Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

This will remain constant as it should decrease the amount of state general funds.

**C. Appropriations:** Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.

LP

The appropriation will also remain constant.

Minutes:

**Senator Karen Krebsbach**, Chairman opens HB 1029. All senators present with exception of Senator Fairfield.

**Al Knutson**, Legislative Council introduces bill and is neutral position. He goes over attached testimony

**Senator Nelson** :I have a problem because this would effect 6 residence, which means they would pay \$5000 more and where do you think they would find this.

**Knutson**: I am not sure how the fiscal note was prepared that did not come up during interim.

**Senator Nelson** : the fiscal says that this bill will generate more special funds in the home presently we have about 6 residence that the amount of the VA disability income is not in the rent.

6 residence and they are going to raise \$30,000.

**Senator Krebsbach** : I am wondering if it would come from disability?

**Senator Nelson :** If they have this kind of money what are they doing there?

**Senator Krebsbach :** Unless they choose to be there.

**Knutson:** they majority of this would be from disability income.

**John Jacobson, On behalf of Veteran's coordinating Council** is in unanimous support of this bill.

**Jim Coats, Mandan,** member of legislative subcommittee of coordinating council.

I was convinced there were no open holes. I support if there is a spot to appeal on behalf of the resident. I was told the formula would have to include that.

**Senator Wardner :** You heard Senator Nelson's question do you have any insight on that?

**Coats:** No, I do not. I have just been in the coordination council for 3 weeks. I don't have the fiscal note.

**Senator Brown:** Maybe others may fall under this so not necessarily be \$5000/person.

**Coats:** There is a 49% cap on this.

**Senator Brown:** I would assume some are retired military and some would still be getting their pension.

**Senator Nelson :** Could we get a better fiscal note.

Minutes:

Senator Karen Krebsbach, Chairman reopens HB 1029. Senator Fairfield is absent, the rest of the senators are present.

Rod Backmann answers questions sent to Brad Maajos, (questions attached)

He states that all neighboring states leave it in.

The fiscal note is accurate. The net effect would be charged to residences and there would be that much less out of general fund.

Senator Nelson : I have a problem that it is just 6 people there has to be some others that should fall under this.

Backmann: Either the others are financially not able to or their disability is coming from the social security and is already being paid.

Senator Wardner moves for a Do Pass

Re: HB 1029

Brad;

Here is a copy of the bill and the fiscal note. What the committee would like is an updated fiscal note and also would like to know where the money would come from, referring to the Interum report I have attached. It is the pages that begin with the Budget Committee on Government Administration. I have circled the portion that is being questioned on page 55. If you have any further questions please feel free to give me a call at the above number.
