Minutes: **CHAIR KEISER**: Opened hearing on HB 1101.

GARY ANDES (Board of Cosmetology): (see attached testimony)

REP. FROSETH: How many colleges are in the state?

ANDES: Five.

KEISER: How many did we have five to ten years ago?

ANDES: Twelve

REP. EKSTROM: How many meetings per year? (asked in regards to cost of living increase)

ANDES: An average of one meeting per month. Some months they skip.

VIRGINIA HERBERHOLZ: (Board of Cosmetology): The board is actually doing duties an average of three days per month in addition to the meetings.

REP. FROSETH: How many licensed cosmetologists in the state?

BERNADUCCI: About 1500 licensed.

Page 2

House Industry, Business and Labor Committee

Bill/Resolution Number 1101

Hearing Date 1-13-03

REP. TIEMAN: How many hours of continuing education are cosmetologists required in a year?

ANDES: Eight hours per year for instructors.

REP. KLEIN: How many members are on the board?

ANDES: 3 members and one full-time secretary in the Bismarck office.

REP. KASPER: Have the members been polled? Have you asked the other cosmetologists about the amendment. Was it opposed?

ANDES: Held several open meetings. No opposition at this point.

REP. THORPE: Do you always travel to Bismarck or do you do meetings over the Internet?

ANDES: 99% of the meetings are in Bismarck at the office.

HERBERHOLZ: Each member is reimbursed for two days per month automatically for expenses.

REP. KLEIN: Who does the inspections?

ANDES: Five inspectors in the state. The board does not.

REP. THORPE: Is there any flexibility on the number of instructors? If the ratio is 20:1 and you have 41 students, are you required to have 3 instructors? Can you draft it to be more flexible?

ANDES: The ratio is similar to public schools.

REP. NOTTESTAD: Analogy to elementary schools is faulty. If you have one or two students over, common sense would tell you to limit enrollment. Creating a law makes it cut and dry and doesn't allow for flexibility. Why didn't you restructure fees instead of just a flat increase?

Page 3
House Industry, Business and Labor Committee
Bill/Resolution Number 1101
Hearing Date 1-13-03

HERBERHOLZ: Have not had an increase since 1985 and just felt the flat fee was more simple.

REP. THORPE: If you get \$100/ meeting for travel, could you get \$50 for a teleconference?

ANDES: Lose a lot by phone. But sometimes the weather forces it.

FROSETH: What is the financial stability of the board?

HERBERHOLZ: The board is solvent at this time. The costs of running the office are increasing, plus they take care of continuing education costs. The education costs are increasing.

REP. SEVERSON: Does the Health Dept. inspect or does the board also do inspections?

HERBERHOLZ: The board hires inspectors. The board reviews the inspectors

REP. KLEIN: The board has done a remarkable job.

CHAIR KEISER: Trying to standardize all reimbursements to board members throughout the state. The legislature may amend to comply with the consistency throughout the state. Please share your budget with Rep. Thorpe and a justification for the increase of \$78,000 in the account.

FLOYD ROLL (representing self): Board does not consult all schools and makes decisions that crush school. Ask if they had proposed legislation and they said no. They were told they wouldn't do anything to the teacher/student ratio. Tuition went through the roof to deal with the teacher/student ratio. The law does not provide for part-time instructors. The proposed change limits school owners. Unfairness has been noticed in practical exams.

REP. FROSETH: Is it possible for schools to set their own standards on the number of students they need and the methods they use?

ROLL: Yes. These regulations allow no flexibility.

REP. FROSETH: Is it a formatted exam or does it change?

Page 4

House Industry, Business and Labor Committee

Bill/Resolution Number 1101

Hearing Date 1-13-03

ROLL: Currently they pass three exams. A national written exam, a ND exam on rules and regulations, and a practical exam. The board administers the written exams. The practical exam is done by the school and observed by the board.

REP. FROSETH: Is it necessary to have Sec. 4?

ROLL: Section 2 is important.

REP. ZAISER: What if there would be a different make-up of the board? Perhaps a customer, owner, and instructor.

ROLL: It would help.

TERESA FELCH (ND Cosmetology Assoc): Met as a committee recently. Would like to see the fees raised, but perhaps more for the manager/operators. There are many licensed cosmetologists who work from home. Would like to see to see the extra money going to continuing education through an amendment.

CHAIR KEISER: Closed hearing on HB 1101

Minutes: **CHAIR KEISER:** Called for committee work on HB 1101.

REP KLEIN: Is a fee increase necessary?

REP. KASPER: Connie Bernabucci told me here hasn't been a fee increase since 1984.

CHAIR KEISER: Suggested that an amendment addressing the size of the board and who is represented as well as the proposed fee increase be drafted.

REP. THORPE: I've received a request from a constituent to increase the size of the board to include representation from the schools.

REP. ZAISER: Why not increase the board size to five members?

REP. EKSTROM: Expressed concern that the Senate would disapprove of a board increase.

CHAIR KEISER: Why not increase the daily stipend from \$50-\$100?

REP KLEIN: Aren't they compensated for two days each month, whether or not they travel to hold meetings?

Minutes: Chairman Mutch opened the hearing on HB 1101. All Senators were present.

HB 1101 relates to licensing of cosmetologists and cosmetology schools. Gary Andes of Minot and Virginia Herberholz from Bismarck introduced the bill. They spoke together and read the same testimony. See attached. They, along with one other, serve as the N.D. State Board of Cosmetology.

Senator Klein: So you are currently expanding schools and this would allow the board to appoint more than one person from each school?

Virginia: Yes.

Senator Nething: Could you explain to us what waxing to remove hair is?

Virginia: In our industry, we apply warm bees wax to area with unwanted hair in order to remove it. Whether it is eyebrows. It used to be only above the waist, but we are doing other areas as well.

Senator Nething: Is that a treatment that needs to be repeated?

Page 2

Virginia: If you want to keep the area free of hair.

Senator Heitkamp: The licensing fees go to what you have to do to provide these services, are they not meeting the cost of these services?

Virginia: No, it is not.

Senator Mutch: Is the number of cosmetologists in the state going up?

Sue Meier, employed by cosmetology board, stated that there are 6000 cosmetologists and 1000 beauty salons.

Senator Heitkamp: If the number of people who are getting licensed is growing, why is there a need for increase in fee?

Sue: The past year, the licensee revenue was \$80,000 and total revenue was \$151,000 and it was 179,000 for expense.

Minutes: CHAIRMAN HOLMBERG opened the hearing to HB 1101. A bill relating to licensing of cosmetologist and cosmetology schools. An attendance roll call was taken, a quorum was established.

(Meter 100) VIRGINIA HERBERHOLZ from the ND State Board of Cosmetology testified in support of the bill. See written testimony Exhibit 1. She also introduced Sue Mayer, Administrative Assistant. She gave a history of the boards responsibilities.

(Meter 209) SENATOR KILZER asked what amendments did the House makes? VIRGINIA answered that the House amended Section 4, having to do with the student/instructor ratio.

(Meter 260) SENATOR SCHOBINGER asked VIRGINIA what the feel was of the people in the field, the cosmetologists themselves? VIRGINIA answered that they felt it was not a hardship to them.

Page 2

Senate Appropriations Committee

Bill/Resolution Number HB 1101

Hearing Date 3-19-03

(Meter 305) SENATOR CHRISTMANN asked how many cosmetologists are there? VIRGINIA said 6,313 licensed hair dressers in ND, approximately half are actively involved in the profession and the manager/operators are 4,254.

(Meter 345) SENATOR CHRISTMANN asked about the board members, how many are there and how many times do they meet. VIRGINIA stated there are three board members and they meet once a month.

(Meter 377) SUE MAYER, employed with the board of cosmetology stated the board members have a meeting once a month and they administrate examinations approximately twice a month.

(Meter 413) SENATOR CHRISTMANN was trying to figure out the revenue changes and VIRGINIA explained the increases to him and the committee. Discussion included expenditures and was discussed some of the fees were due to duplication categories. The increase of license renewal fee are as follows:

6, 313 licensed cosmetologists in ND

4,254 manager/operator renewal fee is \$15 and \$10 operator fee

60 instructors renewal at \$15 so some would have an increase of \$20 per year

(Meter 666) SENATOR CHRISTMANN asked if 1% of the population being licensed cosmetologists a normal around the country? VIRGINIA stated she did not know if that was an average but feels our state is heavily endowed with cosmetologists. She also stated there are a number of places to buy products in which you can only buy if you have a license. The Board and active cosmetologists would like to see the public eliminated some of the people who only maintain a license in order to purchase professional products to use in a non professional matter.

Page 3
Senate Appropriations Committee
Bill/Resolution Number HB 1101
Hearing Date 3-19-03

She would like to make it expensive enough so it would discourage people from holding a license just to purchase products.

(Meter 799) SENATOR MATHERN asked VIRGINIA if her board has ever thought of coming to the legislature and letting the board set the fees? VIRGINIA stated she has only been on the Board for a few months, one of the newest members, and she couldn't say that she knows if this is in their history or not. And SUE MAYER did not ever recall the Board setting the fees.

(Meter 880) A motion of a DO PASS by SENATOR MATHERN with a second by SENATOR BOWMAN. It passed with a vote of 12 yeas, 0 nays and 2 absent. It will be carried by IBL, SENATOR HEITKAMP.

1102 S. WASHINGTON SUITE 310
P.O. BOX 2177

TELEPHONE (701) 224-9800

TESTIMONY ON HOUSE BILL 1101

Mr. Chairman and members of the committee, We serve as Board Members for the N.D. State Board of Cosmetology. I am Gary Andes from Minot, Connie Bernabucci from Fargo and Virginia Herberholz from Bismarck. Thank you for allowing us to testify on House Bill 1101. We as Board Members are asking you and the members of the committee to vote in favor of this bill.

Section 1 of 43-11-01 will include waxing to remove hair on the entire body not confining the services to the upper part of the body. Cosmetologists and Estheticians are asked to provide services that include contact with the entire body.

Section 2 of 43-11-04 will allow individuals who graduated from the same school to serve on the board. With the small number of cosmetology schools in North Dakota it is highly likely that at sometime in the future we could have a potentially excellent candidate for a position on the board who did attend a school in North Dakota that another existing board member attended.

Section 3 of 43-11-06 this is allowing the Board Members an increase in compensation. Members of our Board have not been given a cost of living compensation since the early 1980's. We no longer can make it worth while financially for a potential board member to consider taking a position with our board at \$50.00 per day.

Section 4 of 43-11-16 the Board agrees in having two instructors for the first 40 students is an appropriate ratio.

Section 5 of 43-11-24 will allow an applicant to retake an examination without a time limit, after the applicant completed the additional 160 hours of school training after failing the first reexamination.

Section 6 of 43-11-27 (3) will allow the Board to clarify by rule, what type of continuing education is necessary.

Section 7 of 43-11-28 increasing the license fees will help the Board to budget a positive cash flow for the general fund. The Board has seen and will continue to see a significant decrease in its financial resources due to the office operation expense. There has not been an increase in fees since 1985 and the \$5.00 increase would not be a hardship to our licensees.

Honorable Elwood Thorpe
State Representative
600 E. Boulevard Ave.
Bismarck, ND 58505

Dear Representative Thorpe:

Information you requested on H.B. 1101 relating to cosmetologists and cosmetology school.

There are 6,260 licensees and 1,028 salons in North Dakota. All licenses must be renewed by the 31st of December in any year.

The Board regulates and licenses all cosmetologists, manicurists, estheticians, instructors, students, schools, and salons. It is the duty of the Board to protect the public health, welfare, and safety. There is one full time employee employed by the Board who handles all the office duties. The board employs five inspectors to travel to salons for yearly sanitation inspections and for all new salons. Inspectors receive \$100.00 per day employed plus reimbursement for expenses for meals, travel and lodging.

The license renewal fee help to defray part of the operating costs to maintain an office and communicate with the stylists via the yearly newsletter to all licensees in North Dakota. Expenditures such as salaries, travel expense, attorney fees, insurance, updating equipment (computer system update in 1997, copy machine and fax machine updated in 2000), general office supplies, printing cost, postage, office rental, telephone expense, and yearly audit. The board office operating costs and salaries have increased through the years thus making a fee increase unavoidable.

North Dakota Board of Cosmetology uses portion of the renewal fees for the purpose of providing educational programs for licensees. The Board will continue to provide educational programs. In 2001 the Board offered three seminars, a Spring seminar with one guest artist for two day class @ \$2,800.00 plus expenses and a Fall seminar with two guest artists for a two day class @ \$3,000.00 plus expenses for each artist.

North Dakota administrates National Cosmetology Written Examination @ 12.50 per exam. Approximately 225 students take the examination per year. The Board is considering implementing the National Practical Examination. The cost for the practical exam is \$15.00 per exam. In offering the National practical examination the Board Members will have to complete a two-day training program per yea. @ 2,500.00 per year.

The compensation and expenses of all members of the Board receives paid from the license fees. The Board consists of three members. The Board meets at least once a month and administrates examinations at schools approximately twice a month. The Board has considered increase to five members of the Board, to better serve the cosmetology profession in the State of North Dakota, which will increase the compensation and expenses.

We respectfully request that you support HB 1101. Thank you for your time and effort to help the North Dakota Board of Cosmetology.

TESTIMONY ON HB 1101

Mr. Chairman and members of the committee, we serve as Board Members for the N.D. State Board of Cosmetology. I am Gary Andes from Minot, Connie Bernabucci from Fargo and Virginia Herberholz from Bismarck. Thank you for allowing us to testify on House Bill 1101. We as Board Members are asking you and the members of the committee to vote in favor of this bill.

Section 1. Subsection 2 and 13 of section 43-11-01 will include waxing to remove hair on the entire body not confining the services to the upper part of the body. Cosmetologists and Estheticians are asked to provide services that include contact with the entire body.

Section 2. Section 43-11-04 will allow individuals who graduated from the same school to serve on the board. With the small number of cosmetology schools in North Dakota, it is highly likely that at sometime in the future, we could have a potentially excellent candidate for a position on the board who did attend a school in North Dakota that another existing board member attended.

Section 3. Section 43-11-06 is allowing the Board Members an increase in compensation. Members of our Board have not been given a cost of living compensation since the early 1980's. We no longer can make it worth while financially for a potential board member to consider taking a position with our board at \$50.00 per day.

Section 4. Subsection 3 of section 43-11-16 the Board is in agreement with the school owners with this proposed amendment to maintain a maximum student-to-instructor ratio of twenty-four to one based on current enrollment.

Section 5. Section 43-11-24 will allow an applicant to retake an examination without a time limit, after the applicant completed the additional 160 hours of school training after failing the first re-examination.

Section 6. Subsection 3 of section 43-11-27 will allow the Board to clarify by rule, what type and how many hours of continuing education are necessary.

Section 7. Subsection 1 of section 43-11-28. Increasing the license fees will help the Board to budget a positive cash flow for the general fund. The Board has seen and will continue to see a significant decrease in its financial resources due to the office operation expense. The board office operating costs and salaries have increased through the years thus making a fee increase unavoidable. There has not been an increase in fees since 1985 and the \$5.00 increase would not be a hardship to our licensees.
