FISCAL NOTE
Requested by Legislative Council
01/14/2003

Bill/Resolution No.: HB 1288

1A. State fiscal effect: Identify the state fiscal effect and the fiscal effect on agency appropriation compared to funding levels and appropriations anticipated under current law.

	2001-2003 Biennium		2003-2005 Biennium		2005-2007 Biennium	
	General Fund	Other Funds	General Fund	Other Funds	General Fund	Other Funds
Revenues	\$0	\$0	\$0	\$0	\$0	\$0
Expenditures	\$0	\$0	\$0	\$0	\$0	\$0
Appropriations	\$0	\$0	\$0	\$0	\$0	\$0

1B. County, city, and school district fiscal effect: Identify the fiscal effect on the appropriate political subdivision.

2001-2003 Biennium			2003-2005 Biennium			2005-2007 Biennium		
Counties	Cities	School Districts	Counties	Cities	School Districts	Counties	Cities	School Districts
\$0	\$0	\$0	\$0	\$0	\$0	\$0	\$0	\$0

2. Narrative: Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.

In discussion with Bismarck Parks & Recreation Director there would be minimal impact to cities or counties. If park districts are currently paying park board members, that would continue. This bill only changes current practices, eliminating approval through the city commission, transferring that approval to the park district budget process.

3. State fiscal effect detail: For information shown under state fiscal effect in 1A, please:

A. Revenues: Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.

None

B. Expenditures: Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

None

C. Appropriations: Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.

None

Minutes:

CHAIRMAN COOK called the Political Subdivision to order. All senator's (6) were present.

CHAIRMAN COOK opened the hearing on HB 1288 relating to the compensation of members of a board of park commissioners.

REPRESENTATIVE JIM KASPER, District 46, Fargo, ND introduced HB 1288. It is a bill to correct a part of the statute of the State of North Dakota that was overlooked many years ago where park board commissioners who are elected officials, could not determine their own destiny when it comes to their salary as far as whether they receive any and how much. Current statute requires the city commissions of the various areas that have park districts to give the blessing to any salaries and any salary increases. What this bill would do is simply require the park board commissioners to set and determine their own salary with public hearings and all the procedures

that you go through with out the oversight or approval of the various city commissions where there may be a park district. He urged support in favor of this bill.

Steve Neu, Director of Parks and Recreation for the Bismarck Park District, Legislative Chair, appeared in support of HB 1288. (See attached testimony)

Discussion: Tape 1, Side A, Meter # 429 - 765.

Jerry Hjelmstad, North Dakota League of Cities, appeared in support of HB 1288. Their executive board reviewed the idea behind this bill and the feeling was that being city governing boards are allowed to set their own salaries that separately elected park boards should have that same authority.

No testimony in opposition of HB 1288.

CHAIRMAN COOK closed the hearing on HB 1288.

SENATOR POLOVITZ moved a DO PASS on HB 1288.

SENATOR GARY LEE seconded the motion.

NORTH DAKOTA RECREATION & PARK ASSOCIATION

TO: Chairman Froseth and Committee Members
House Political Subdivision

FROM: Steven M. Neu 
Director of Parks and Recreation
North Dakota Recreation and Parks Association Legislative Chair

DATE: January 23, 2003

RE: Testimony Supporting HB 1288

Chairman Froseth and Committee Members:

I appear before your committee to urge your support and a do pass on HB 1288 on behalf of the member park districts of the North Dakota Recreation and Parks Association.

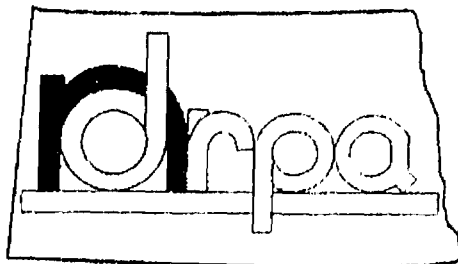

The amendment is to transfer the responsibility of approving compensation for park board members, which they are entitled to, from city commissioners or councils to the elected body responsible for governing the affairs of a Park District. This responsibility transfer is reasonable and consistent with the other policy responsibilities the elected park board members have for the operations of a park district as provided by NDCC. It is also consistent with the NDCC that city councils/commissions have no other oversight responsibilities over park district authority for policy development including budget.

This amendment is also supported by the North Dakota League of Cities, representing their city and park district members.

Our association also supports the proposed amendment on lines 9 and 10 of the bill as it relates to board members' interests in contracts of the board.

Please contact me at sneu@bisparks.org or 222-6455 if you have any questions.

Thank you.
