Minutes: 13 members present.

Chairman DeKrey: We will open the hearing on HB 1371.

Rep. Dan Ruby: Introduced the bill, support.

Chairman DeKrey: Thank you. Testimony in support of HB 1371.

Reed Soderstrom, attorney and bail bondsman: Support. Explained that several costs that are not currently being reimbursed, and would like them to be.

Chairman DeKrey: If the percent remained at 10%, but bump up the fee to \$75, would this help.

Mr. Soderstrom: That would be okay.

Chairman DeKrey: You would need to let the defendant know upfront what the additional costs might be.

Mr. Soderstrom: I wouldn't have a problem with that. We issue receipts now to defendants listing out the costs.

Rep. Eckre: Do you bill for advice, or when someone calls you on the phone, such as attorneys do.

Mr. Soderstrom: I don't charge for telephone calls, unless they are long distance. Sometimes calls have to be made to check out collateral, etc.

Rep. Wrangham: You're talking about these charges you make now, why do we need this new language if you are already making those charges.

Mr. Soderstrom: It is not clarified, it is possibly a violation of the law, the fact that we are charging administrative fees, because the law specifically says 10% or \$50 whichever is greater. This will clarify what most bail bondsmen are already doing.

Rep. Klemin: If it was made clear in here that the premium, commission or fee related to bond itself, maybe then we wouldn't need any language about this expense thing. If we added fee for a bond, would that make it more clear that what we're really talking about is the limitation on the fee for the bond itself.

Mr. Soderstrom: That would help clarify, I agree.

Rep. Klemin: Maybe we wouldn't need that other language that just relates to expenses, which I think is probably just a matter of contract between you and whoever you are bonding.

Mr. Soderstrom: Yes.

Chairman DeKrey: Thank you. Any further testimony in support? Opposition? We will close the hearing.

(Reopened later in the afternoon session)

Chairman DeKrey: What are the committee's wishes in regard to 1371.

Minutes: Senator John T. Traynor, Chairman, called the meeting to order. Roll call was taken and all committee members present. Sen. Traynor requested meeting starts with testimony on the bill:

Testimony in Support of HB 1371

Rep. Dan Ruby - Dist #38 Introduced Bill (meter 26.5)

Sen. Dever questioned how this was amended. The other fees were changed and the bill was shortened.

Mr. Reed Soderstrom - Attorney, running the Bail Bond Agency and only Bail Bond Instructor in ND The language of "administrative fees" was changed. We already having the freedom to charge these as long as we can itemize and document these fees, the ND Insurance Commissioners Office said we are in compliance. This is in fact a separate contract. I do not have a problem with these changes. Discussed what different locations in ND charge.

Sen. Dever discussed how the process works different fees are charged in different

locations-sometimes this is do to competition in the area-a flat out \$25 administrative fee or each process is charged. Discussion of example; on a \$20,000 bail bond- we are paid 10%. We get \$2, 000-the underwriter will get 25% of this leaving us with 75% of the 10%.
