Minutes: **Chairman Kelsch** opened 3020.

Rep. Weller, District 30, Bismarck, we would like an 'emergency clause' to make it move faster.

Rick Heidt, Coordinator of the North Dakota Close Up Program, See Attached Testimony side B

Rep. Herbel how do kids get selected?

Heidt: It is different in each school and community. Sometimes the school district picks up the bill, others do fundraising, grants from community organizations, it depends on the community.

Rep. Herbel How do you decide who does?

Heidt: Teachers have a selection process for that also.

Rep. Mueller How many people after 16 years of program are in politics?

Heidt: I don't have any statistics on that but it would be interesting to find that out.

Rep. Meier Is there a cap on how many students can actually attend. Can it be more than 176?

Heldt: When I took the program there was a cap, but we really don't have to have it, we can

always get overflow hotel accommodations. I have not turned a student or a school down.

We start out by saying 2 for smaller school and 3 for the larger ones. We make accommodations for every student who wanted to come.

Sen. O'Connell, District 6

I have been connected to this program for 14 years. This is one of the best programs that I have ever been involved with. Get involved and exchange the ideas with us on the evening that we meet. They are kept busy, there is even a group that goes on to Washington DC Both sides of the aisle encourage students to get involved in this program there is a difference when the student do get involved.

Hawken moved a DO PASS on 3020, Rep. Herbel second the motion.

Amendment to add the emergency clause and put on the consent calendar, passed by voice vote,

As amended DO PASS, 11-0-3, Rep. Hanson to carry the bill.

TESTIMONY FOR HCR 3020

Adam Chairman and members of the Education Committee:

My name is Rick Heidt, coordinator of the North Dakota Close Up Program. I would like to share some information about the Close Up program with you.

The North Dakota Council of Educational Leaders, in conjunction with the BP Refinery the National Close Up Foundation, will sponsor North Dakota Close Up for its sixteenth program year. Approximately 176 high school students and 54 teachers from around the state will arrive in Bismarck on Sunday, February 9 to participate in the 2 day event being held at the State Capitol and the Doublewood Inn.

The purpose of the Close Up program, as this resolution states, is to ignite an interest in the democratic process and to instill young people with the desire to become active participants in government. Close Up North Dakota concentrates on the functions and structure of state government and defines the constitutional responsibilities assigned to each of the three branches of government. The media and special interest groups, both major influences affecting government policy, are also examined. For democracy to succeed, it is vital for citizens to take an active interest in their government. One way to develop this relationship is by participating in Close Up programs. In 1972 the Close Up Foundation -- the nation's largest civic education organization -- began to sponsor such programs across the country and around the world, and has involved students, teachers, community leaders, and other adults. Close Up programs provide students and other participants with opportunities for citizenship education and direct involvement in the democratic process.

An impressive roster of speakers is scheduled to assist students to simulate the legislative process. Issues surrounding youth and their interest in North Dakota as a workplace and home are the basis for bills that will be proposed to a mock legislative hearing committee on the final day of the program. A "Meet Your Legislators" hour is planned for Sunday, February 9 at 8:00 PM at the Doublewood Inn; students will have a chance to meet and discuss these issues with their legislators.

Thank you very much for your involvement and concern in this resolution.
