Minutes:

REP. POLLERT VICE-CHAIR Called the hearing to order.

REP. MERLE BOUCHER, DIST. 9 Introduced the resolution. This is a resolution honoring the election of Theodore Roosevelt, coming in the year of 2004, it will be the 100th anniversary of his election to the presidency. Theodore Roosevelt always told folks that if it hadn't been for the years and experiences in North Dakota, he perhaps, wouldn't have been president of the United States. Theodore Roosevelt, among a long list of very distinguished and accomplished people, he is one of our proudest individuals and personalities in the history of the state. I think it is only fitting that the people of North Dakota honor Theodore Roosevelt.

SEN. O'CONNELL Testified in support of the resolution. He stated Theodore Roosevelt was a great president, and called a lot of attention to the state of North Dakota, and history still lives on about him. You go to Medora, or wherever you go, his name is still alive, I think he served our state great.

Minutes:

VICE CHAIRMAN SYVERSON called the committee to order.

VICE CHAIRMAN SYVERSON opened the hearing on HCR 3048 a resolution celebrating the one-hundredth anniversary of Theodore Roosevelt's election as President of the United States.

REPRESENTATIVE BOUCHER, District 9, introduced HCR 3048 which is a resolution asking the people of North Dakota to honor the one-hundredth anniversary of Theodore Roosevelt. He was a very important historical figure in North Dakota and played a very important role in the early history of the development of the State of North Dakota. We are certainly proud of him as one of the distinguished citizens of this state and consequently we feel that it is only fitting that the North Dakota State Legislature and the citizens of the State of North Dakota submit this resolution in honor and out of respect for the one-hundredth anniversary of his election to the Presidency of the United States.

HCR 3048

Resolution celebrating the 100th anniversary of Theodore Roosevelt's presidential election.

Roosevelt assumed the office of President on September 14, 1901 after President William McKinley was assassinated on September 6th, 1901, at the age of 42.

Roosevelt became the 26th President of the United States and was sworn into office at about 3:15 p.m. at the Ansley Wilcox Mansion in Buffalo, New York, making him the youngest man ever to become President (John F. Kennedy was the youngest man ever elected to that office at the age of 43). Roosevelt was re-elected President on November 8, 1904.

Next year would be the 100th anniversary of Theodore Roosevelt's presidential election.
