**Minutes:** 11 members present, 2 members absent (Rep. Kretschmar & Eckre)

**Chairman DeKrey:** We will open the hearing on SCR 4014.

**Bill Brown, Capt. Minot Police Dept.:** Support. After reading this resolution, we are in favor of this resolution because dollars are short and law enforcement needs training more than ever. Our department alone experienced an increase in training dollars by 30% in 2002, this was due by and large to turnover from our department. Members leaving the department, getting out of law enforcement altogether and going to federal jobs, and we perceive this as going to be an increasing problem for law enforcement. As a result, we believe that we do need to find some alternative funding for training, and we do need to study the issue of training for law enforcement in this state.

**Rep. Onstad:** Currently the training that is provided now, is funded through what?

**Capt. Brown:** The training for our police department is provided through city funds. However, we do rely heavily on state training to provide training such as the fax machine, legislative

review, radar certifications and the like. Now, our department would not suffer as greatly as the smaller agencies, the sheriffs department, the small police departments, inasmuch as they don't have a budget for training, so that's why we are supporting this resolution.

**Chairman DeKrey:** Thank you. Further testimony in support.

**Jerry Hjelmstad, ND League of Cities:** Support. As was mentioned, training is very important to our law enforcement across the state. It is a difficult issue for many of our cities with the issue of tight budgets and so forth, being able to afford this training and as I understand this resolution, would look for the most cost effective ways to provide this training. We urge your support of this resolution.

**Chairman DeKrey:** Thank you. Further testimony in support. Testimony in opposition. We will close the hearing. What are the committee's wishes in regard to SCR 4014.

**Rep. Grande:** I move a Do Pass.

**Rep. Maragoz:** Seconded.
