Introduced by

(At the request of the Office of Management and Budget)

1 A BILL for an Act to amend and reenact section 54-44.6-01 of the North Dakota Century Code,
2 relating to the statewide forms management program.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. AMENDMENT.** Section 54-44.6-01 of the North Dakota Century Code is
5 amended and reenacted as follows:

6 **54-44.6-01. Declaration of legislative intent.** The legislative assembly finds and
7 declares that there is a need to minimize the governmental paperwork burden for state and
8 local government entities, individuals, businesses, and others; that the costs of collecting,
9 maintaining, using, and disseminating information are constantly escalating due to the
10 increasingly voluminous and complex nature of state statutes and regulations; that there is a
11 need to coordinate, integrate, and to the extent practicable and appropriate, make uniform the
12 information policies and practices in North Dakota; and that the governmental paperwork
13 burden can best be eased by establishing a statewide forms management program within the
14 ~~office of management and budget~~ information technology department.
