**REP. R. KELSCH:** Madam Speaker: I rise on a point of personal privilege and request that my remarks be printed in the Journal.

**REQUEST**

**REP. R. KELSCH REQUESTED** that her remarks be printed in the Journal, which request was granted.

Madam Speaker, on more than one occasion this session, members of this body, have stood and as a point of personal privilege, made complimentary remarks recognizing and congratulating hometown High School Sports Teams. Rep. Porter and myself have had that opportunity. Recognizing outstanding accomplishments of schools in our home district is a longstanding tradition of the House.

Today, Madam Speaker, we would like to take that opportunity again. Only today, the students and educators that we would like to recognize come from throughout this great state. They come from all 47 legislative districts. They should be the pride of each and everyone of us.

These individuals, some of who are with us today, are our state's finest musicians.

Madam Speaker, by our Governor's Proclamation, March is declared, "Music In Our Schools Month". The focus on music is an integral part of the education process and development of the total child.

Starting today, the North Dakota All State Band, Choir, Orchestra, Jazz Band and Women's Choir are rehearsing and performing in Bismarck. Over 400 students are participating. These students have been selected from over 200 auditions.

These 400 young musicians are truly champions. They set the standard high.

I ask that if these young men and women and their music instructors are in the chamber that they either rise or step to the rail. Let us congratulate and be proud of their outstanding accomplishments and let us thank them for a job well done.
