4 The section added by the House designating the Department of Commerce as the state's fiscal agent and administrator of all workforce development and workforce training funds is removed. The Senate also removed this section. As a result, funding added by the House for the following programs is removed:

5 Removes funding added by the House for grants for direct support of internships for students entering growth industries that have critical shortages of available employees. A section of legislative intent is added providing that the Workforce Development Division develop a streamlined internship program involving its web site and in conjunction with University System efforts. The Senate also made these changes.

6 Funding of \$2.5 million from the highway tax distribution fund for ethanol incentive payments is removed in accordance with provisions of Senate Bill No. 2222, which includes a continuing appropriation for the Agricultural Products Utilization Commission to make ethanol incentive payments. The Senate also made these changes.

7 Funding for the director's discretionary grants is removed from the grants line item and established as a separate line item in the bill. A section is added allowing the department to continue the appropriation authority included in this line item beyond the 2003-05 biennium. The Senate also made these changes.

8 The discretionary grants line item is increased by \$150,000 from the general fund. The department is expected to have unspent general fund appropriation authority of at least \$200,000 for the 2001-03 biennium, \$150,000 of which has not been included in the March revised general fund turnback estimate for the 2001-03 biennium. The Senate also made these changes.

10 The discretionary grants line item is increased by \$200,000 from the general fund. A section of legislative intent is added providing that this funding be used for a marketing and image-building campaign for the Red River Valley research corridor beginning in the second year of the biennium. 13 Funding for tourism marketing is reduced by \$300,000, \$200,000 of which relates to Lewis and Clark marketing and \$100,000 to general marketing.

14 Funding for the \$100,000 grant for the Lewis and Clark Interpretive Center in Washburn added by the House and included in the Senate version and the \$100,000 grant for Fort Lincoln added by the Senate is moved from the discretionary grants line item to the Lewis and Clark Bicentennial line item.

15 The Lewis and Clark line item is increased by \$100,000 from the general fund to increase the grant specified for the Lewis and Clark Interpretive Center in Washburn by \$50,000, to \$150,000 and to increase the grant specified for Fort Lincoln by \$50,000, to \$150,000.

The Conference Committee amendment includes the section added by the House designating \$25,000 of the director's discretionary grants for use in rescues of visitors to North Dakota tourist attractions. The Senate had removed this section.

A section is added providing that the department use \$150,000 of the Lewis and Clark Bicentennial line item to provide a grant to the Fort Abraham Lincoln Foundation for reconstruction and interpretation of the Seventh Cavalry stable at the fort and for maintenance and repairs of other fort buildings. The Senate version provided for a \$100,000 grant.

The section added by the House providing that the department provide a grant to the Lewis and Clark Interpretive Center in Washburn is changed to increase the grant to \$150,000. The House and Senate versions provided that the grant be for \$100,000.

The section added by the House precluding the department from spending funding to support the New Economy Initiative is removed, the same as the Senate version.

The House reduced the operating expenses of the research, business development, and marketing programs of the Division of Economic Development and Finance by \$200,000 from the general fund. The Conference Committee changes this reduction to allow the department to determine the specific areas of the department's budget to reduce.

This amendment provides that the administrative costs of the Development Fund be paid from the Development Fund, the same as the House version. The executive budget and the Senate version provided that these costs be paid from the general fund.

The section added by the House providing for annual reports to the Budget Section on select activities and outcomes of the department, which the Senate removed, is changed to provide for specific benchmark reporting to either the Budget Section or another interim committee designated by the Legislative Council.

Three new sections are added providing that the \$2.9 million appropriated to the Tourism Division in Senate Bill No. 2337 be used exclusively for marketing the Lewis and Clark Bicentennial celebration, that the Tourism Division request bids for each Lewis and Clark Bicentennial-related marketing campaign developed during the 2003-05 biennium, and that the Department of Commerce provide detailed reports to the Appropriations Committees of the 2005 Legislative Assembly regarding the Tourism Division's appropriations and expenditures.

The funds provided in this section may not be used to supplant funding for current operations or academic instruction or to pay indirect costs.

SECTION 22. EDUCATION INCENTIVE PROGRAMS. The funding appropriated for education incentive programs may be allocated to education incentive programs as determined by the state board of higher education, including the reduction or elimination of specific programs, and the state board of higher education may determine the appropriate number of years of program eligibility for each education incentive program.

SECTION 23. TRANSFER AUTHORITY. If, during the biennium beginning July 1, 2003, and ending June 30, 2005, the state board of higher education determines that funds allocated to institution operations in section 1 of this Act are needed for capital projects or extraordinary repairs, the board may transfer funds from operations to capital assets. The board shall report any transfer of funds under this section to the office of management and budget.

SECTION 24. LEGISLATIVE COUNCIL STUDY - HIGHER EDUCATION. The legislative council shall consider continuing the study of higher education during the 2003-04 interim. If conducted, the study may include the use of the higher education roundtable format. The study should further refine the expectations of the North Dakota university system in meeting the state's needs in the twenty-first century, the funding methodology needed to meet those expectations and needs, and the accountability system and reporting methodology for the university system. The legislative council shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the fifty-ninth legislative assembly.

SECTION 25. CONSTRUCTION OF BASKETBALL ARENA - APPROVAL. The state board of higher education may approve amendments to terms of the agreement entered under chapter 159 of the 1999 Session Laws and may authorize the construction of a basketball arena on the site authorized under that legislation for the university of North Dakota to be financed with private funds.

SECTION 26. PURCHASE OF HOTEL - APPROVAL. The state board of higher education may authorize the university of North Dakota to purchase a hotel and land upon which the hotel is located within the city of Grand Forks for use as a student residence facility for a sum not to exceed \$1,200,000, under terms approved by the board. The university of North Dakota may utilize available housing reserve funds for the purchase.

SECTION 27. MAYVILLE STATE UNIVERSITY - FIELDHOUSE RENOVATION AND ADDITION - REVENUE NOTE. The state board of higher education may, as an alternative to issuing revenue bonds to finance the Mayville state university fieldhouse renovation and addition authorized in section 13 of this Act, enter an agreement or agreements and do all things necessary to finance this improvement with a tax-exempt revenue note, under terms and conditions acceptable to the board. The proceeds of the revenue note must be used to pay all or part of the cost of construction, equipment, and furnishing of the Mayville state university fieldhouse, costs of issuance, interest, and any reasonable required reserve. The note may be issued based on the pledge of revenues generated by the fieldhouse, student fees, local sales tax revenues dedicated to the improvement, and assignment of capital campaign collections or other private funds. A revenue note authorized by this section may not constitute a direct obligation of the state or any agency or political subdivision of the state within the meaning of any statutory or constitutional provision. The principal and interest on the note must be payable solely from revenues generated by the fieldhouse, student fees, local sales tax revenues dedicated to the improvement, and assignment of capital campaign collections or other private funds.

SECTION 28. LEGISLATIVE INTENT - UNIVERSITY OF NORTH DAKOTA SCHOOL OF MEDICINE AND HEALTH SCIENCES. It is the intent of the fifty-eighth legislative assembly that funding of \$395,000 included in the operations line item in subdivision 13 of section 1 of this Act is considered one-time funding and the funding is not to be included in the university of North Dakota school of medicine and health sciences base funding for determination of funding requests for the 2005-07 biennium.

SECTION 29. LEGISLATIVE INTENT - MAYVILLE STATE UNIVERSITY. It is the intent of the fifty-eighth legislative assembly that funding of \$50,000 included in the capital assets line item in subdivision 9 of section 1 of this Act is for improvement of the sound system in old main.

¹ The capital assets line item is increased by \$33,750,000 for highway construction projects, and the operating expenses line item is increased by \$10 million for costs relating to consulting engineers. These increases reflect federal highway construction funding available to North Dakota of \$182.5 million for each year of the 2003-05 biennium, an increase of \$17.5 million per year compared to the \$165 million per year anticipated in the executive budget and House version. Of the total increase of \$43,750,000, \$35 million is from federal funds and \$8,750,000 is from the highway fund. The Senate also made these changes.

² The capital assets line item is increased by \$7,100,000 of federal funds for highway projects that do not require a state match, the same as the Senate version.

³ The capital assets line item is increased by \$228,658 to utilize federal funding (\$182,926) and related state matching funds (\$45,732) removed by the House for the state employee salary increase for highway construction projects. The Senate also made this change.

⁴ Funding for state employee health insurance premiums is reduced from \$493 to \$488.70 per month.

⁵ This amendment reduces funding for information technology by \$350,000 of special funds.

Sections are added increasing motor vehicle registration fees by \$3 per year. Of the \$3 increase, \$2 is deposited in the highway tax distribution fund and \$1 in the highway fund. For the 2001-03 biennium, \$2 of each motor vehicle registration fee is being deposited directly in

the highway fund rather than in the highway tax distribution fund. This amendment increases the amount deposited directly into the highway fund by \$1 to \$3 and removes the expiration date of June 30, 2005, for this allocation. The Senate had increased motor vehicle registration fees by \$3, but deposited \$1 in the highway tax distribution fund and \$2 in the highway fund.

A section is added authorizing the department to acquire land to eliminate no-mow or managed-mow areas along state highways, the same as the Senate version.

A section is added delaying the effective date from January 1, 2004, to January 1, 2006, of a section allowing a landowner owning land next to a no-mow or managed-mow area to hay the no-mow or managed-mow area after July 15 without payment or penalty, the same as the Senate version.

A section is added as an emergency, setting the speed limit on paved two-lane county and township highways at fifty-five miles an hour unless posted differently.

Engrossed HB 1012 was placed on the Seventh order of business on the calendar.
