This bill requires PERS to report to the legislature information on the utilization and costs of any mandated coverage passed by a previous legislative session. If no mandates are passed this bill will have no effect on PERS since no studies will be conducted. To the extent that a mandate or mandates are passed during the above period it may have a fiscal impact on PERS if the agency needs to retain any technical experts to prepare the necessary report. Therefore any fiscal impact will be contingent on legislative action relating to mandated coverage.
