**B. Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

A staff person in the Governor's Office would have to be assigned to establish the new board of home inspectors. The estimated costs include administrative salary, advertising costs for announcing the board and membership openings, possible travel costs for interviews, and costs related to a selection team.

**C. Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*

The Governor's Office is limited in staff and financial resources so new responsibilities required an additional appropriation of general fund dollars.
