2. **Narrative:** Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.

SB 2303 may slightly reduce revenues generated by the one mill levy for the State Medical Center by slightly reducing the tax base for that levy. There will not necessarily be any change in revenues for any county, city or school district, because political subdivisions may raise the same amount regardless if the tax base is reduced. Any reduction in the tax base caused by the provisions of SB 2303 that exempt additional farm residences will result in increased mill levies and shift the tax onto other taxpayers.

- 3. State fiscal effect detail: For information shown under state fiscal effect in 1A, please:
 - A. **Revenues:** Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.
 - B. **Expenditures:** Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.
 - C. **Appropriations:** Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.
