Nonresident deer licenses fees are reduced for the antlerless deer tags that are available after the second license lottery.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

The fee for nonresident deer licenses issued after the second lottery is reduced from one hundred and fifty-five dollars to fifty dollars. Last year 561 nonresident licenses were sold after the second drawing. While the lower fee will trigger some additional sales, these are not expected to offset the revenue reduction for the lower fee.

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*
