Additional other (local) fund revenue will be generated by charging students enrolled in Business Challenge at Dickinson State University \$75.00 per year in 2003-05 and \$90.00 per year in 2005-07. This revenue will be used to offset the food and housing costs that are already being incurred. The additional revenue will not cover all the food and housing costs; however, it will help to offset the need to raise additional private support for the program. Other campuses do not anticipate a fiscal impact at the present time.
