2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

This bill would allow the Department to contract with any appropriate treatment facility in a bordering state (includes MN, MT, SD) for treatment of mental illness or chemical dependency for residents of ND and to contract with providers to provide treatment in ND to residents of those states. Although we are able to determine the cost to provide such treatment, at this time we cannot determine what portion of those costs would be covered by insurance or the Medicaid program of the neighboring states.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*
