2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

This bill provides for the issuance of special license plates upon the payment of a one-time fee of \$5. It is not possible to estimate the revenue that may be generated from the provisions of this bill as it is not possible to estimate the number of vehicle owners who would choose to acquire the special license plates. However, it is estimated the cost to acquire the special license plates will be \$8 per pair of plates, resulting in a net loss of \$3 for each pair of special license plates that are sold.
