2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

HB 1312 will have no effect on any state, county, or city funds. It affects only one school district. It is not possible to estimate what that school district's general fund levy would have been without application of Section 57-15-63.

The County Auditor's office indicated the amount the subject taxing district intended to levy in the 2000 tax year was \$373,910.38. Under the provisions of HB 1312, that amount may be used as the "base year" or "prior school year" for calculating its 2003 general fund levy. Under current law, the amount used for "base year" or "prior school year" is the 1999 levy of \$343,699.02.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*
