A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

This amendment does set a ceiling to the license fee from the Aerial application business's, but that revenue figure has not been set because the fee has not been determined by the commission members at this point. The revenue will be deposited in the agency's special fund.

When the revenue is determined (3-A) the expenditure will come from the "Operations" line and will be used for educational and support efforts to the industry it is derived from. No FTE change is planned.

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*
